PROCEEDINGS OF THE FIRST APPELLATE AUTHORITY UNDER THE RIGHT TO INFORMATION ACT, 2005
Appeal No. 03/2021 (File No.LPSC/RTI/FAA/03/2021)

अपीलकर्ता का नाम/ Name of Appellant	:	Shri Shakthi Prasad R DOS Housing Colony, Bengaluru - 560040 Karnataka
प्रतिवादीका नाम/ Name of Respondent	:	Shri Prasannan M CPIO,LPSC, Valiamala PO Thiruvananthapuram – 695 547 Kerala, India

1. **Shri Shakthi Prasad** had submitted an application dated 31/12/2020 seeking information under the provisions of RTI Act, 2005. Based on the inputs received from the custodian, the CPIO, LPSC, replied to the appellant vide letter No.LPSC/CPIO-RTI/2020-259/00054 dated 26/02/2021. Being not satisfied with the reply given by CPIO, appellant has submitted an appeal dated 18.03.2021 stating that 'details not provided'.

निर्णय/DECISION

2. The appellant had sought information about his grievance on non-payment of full amount of Space Technology Allowance. CPIO provided the information as present status of his case. I uphold the information provided by CPIO. Now, the appellant has requested to resolve the issue through RTI Act, 2005. The appellant may please note that RTI Act is not a grievance redressal mechanism and hence, grievance, if any, need not be answered under RTI Act. However, CPIO/Custodian of records at LPSC is directed to provide the present status of his case within 15 days from the date of receipt of this order. Accordingly the appeal stands disposed off.

3. A second appeal against this decision lies with the Central Information Commission, Baba Gang Nath Marg, Munirka, New Delhi-110067, within ninety days from the date on which this decision is received.

4. This Appeal is disposed off at Thiruvananthapuram on the 26th day of April, 2021.

01	As per DOS order it has been stated that those employees who are in service from 01, April are eligible to get Space Technology Allowance. The applicant joined on July 2019 and got an amount of Rs.7500/- only for the year 2020 whereas Space Technology Allowance is Rs.11250/- for technical staff. In 2019 Space Technology Allowance was been given for all employees who have joined before April was paid full amount of Rs.11250/- for same year. So kindly address above issue and justify the reason.	Since there was some issues in the generation of space Technology Allowance, the amount paid to Shri Shakthi Prasad was less than the eligible amount. Now, necessary action has been taken to rectify the anomaly in payment o f Space Technology Allowance.

Being not satisfied with the reply given by CPIO, appellant has submitted an appeal dated 18.01.2021 stating that 'details not provided'.

निर्णय/DECISION

2. The appellant had sought information regarding vacancy of Scientist/Engr. post in LPSC, Bengaluru. CPIO vide letter dated 14.01.2021 informed the appellant that there is no separate number of vacancies for LPSC, Bengaluru since vacancies are operated at Centre level. I uphold the information provided by CPIO. Now, the appellant has requested to furnish list of vacancies in LPSC without mentioning any particular category or post. However, CPIO/Custodian of records at LPSC is directed to provide the number of vacancies in Sci/Engr. post in LPSC within 10 days from the date of receipt of this order. Accordingly the appeal stands disposed off.

3. A second appeal against this decision lies with the Central Information Commission, Baba Gang Nath Marg, Munirka, New Delhi-110067, within ninety days from the date on which this decision is received.

4. This Appeal is disposed off at Thiruvananthapuram on the 04th day of March, 2021.

01	Indent letter of intender for Post No.738	There is no indent letter or indenter for any post recruited in LPSC including post No.738
02	Justification letter by indenter	Not applicable in view of answer to query No.1.
03	All file notings along with the approvals of competent authorities	Attached as Annexure -1.
04	Professional details and qualifications of employees who carried out the work for the post advertised above before indenting for the same.	The post recruited is for systems development for future missions as well as for activities envisaged as part of future developmental plan of the centre. Hence at present, due to lack of such specialists in LPSC, similar activities are accomplished utilizing specialists support available in other Centres of ISRO.
05	Correspondence made with DOS-Bengaluru relating to Advertisement mentioned above.	No such correspondences were made.
06	Approval from DOS – Bengaluru for the above mentioned post.	The individual ISRO Centres are authorized to recruit posts with Specialisations within the sanctioned manpower strength of the Centre to meet the essential specialized manpower requirements (based on technical activities & developments) of the Centre. Hence, no separate approval from DOS is required for post No.738.

07	Documents mentioning Grounds based on which the advertisement and recruitment was made for the above mentioned post.	LPSC is the lead Centre of ISRO responsible for design and development of liquid propulsion systems required for launch vehicles and spacecrafts. This includes design and development of liquid engines & stages (Earth storable, Cryogenic & Semi cryogenic), control power plants, control systems and components, High precision sensors & transducers, control Electronic Packages, Electric Propulsion Systems as well as futuristic propulsion research. Since these activities are all time bound programmes, they require dedicated and specialized manpower in the Centre.
08	Date of written test for the above advertisement	No Written test was conducted for the said post.
09	Permitted Ratio of Number of posts Vs Number of candidates to be called for interviews	There is no specific permitted ratio of number of post to number of candidates to be called for interview.

विषय/Subject : Treating Special Pay of Rs.2,000/Rs.4,000 granted to Scientists/Engineers –H as 'Pay' for the purpose of pensionary benefits – Implementation of the Orders of the Hon'ble Supreme Court – reg.
***

The undersigned is directed to refer to this Department's letter No.A.22013/1/2005-I dated 04.08.2010 wherein it was stated that pending decision from Department of Pension & Pensioners' Welfare on consideration of Special Pay granted to Scientist/Engineers-H for pensionary benefits, Provisional Pension Payment Orders may be authorized without taking into account the Special Pay of Rs.4000 as 'Pay' for the purpose of Pension and Pensionary benefits.

2. The Hon'ble Supreme Court has passed Order dated 03.01.2019 in SLP No.13531/16 filed by Union of India Vs Shri Anil Kumar & others [tagged with SLP No.24745/15 of DRDO] by dismissing the Civil Appeal No.12040/18 arising out of SLP No.24745/15, thereby disposing of all the Civil Appeals filed by the three Departments i.e., DRDO, DAE and DOS. In its Order, the Apex Court observed that "*addition of benefit of Rs.2000 w.e.f 01.01.1996 styled as special pay has to be included in the definition of pay given under Rule 9(21)(a)(i) looking to the true nature and character of the benefit, which was extended to Scientists on the basis of peer review. We, thus, do not find any infirmity in the decisions of the Central Administrative Tribunals or High Courts holding that the amount of Special Pay of Rs.2,000/- w.e.f. 01.01.1996 and Rs.4,000/- w.e.f. 01.01.2006 to be treated as part of pay for the basis of computation of pension. For the reasons as mentioned above, we thus, do not find any merit in these appeals, which are accordingly dismissed*".

3. After examining the matter in consultation with Department of Pension & Pensioners' Welfare and Department of Expenditure, Department has decided to comply with the above Orders of the Hon'ble Supreme Court.

4. Therefore, in continuation of DOS letter No.A.22013/1/2005-I dated 04.08.2010, it is decided that the Special Pay of Rs.2,000 w.e.f 01.01.1996 and Rs.4,000 w.e.f 01.01.2006 to 30.06.2017 granted to Scientists/Engineers-H shall be treated as pay for the purpose of pension and pensionary benefits.

5. This issues with the approval of the Competent Authority.

Sir,

Subject:- Treating Special Pay of Rs.4000/- p.m. granted to Scientists/Engineers 'H' as 'Pay' for the purpose of pensionary benefits.

***

I am directed to refer to this Department's Office Memorandum No.2/10(8)/98-I dated July 11, 2003 on the subject mentioned above, wherein it was clarified that the Special Pay of Rs.4000/- p.m. granted to Scientists/Engineers in 'H' grade in DOS/ISRO will not be treated as part of pay for the purpose of DA and HRA, but the same may be treated as part of pay for the purpose of pensionary benefits w.e.f. 1.1.1996.

2. Recently, Department of Pension & Pensioners' Welfare through the Chief Controller of Accounts, Central Pension Accounting Office, New Delhi, have brought to the notice of the Department that treating Special Pay of Rs.4000/- p.m. as part of pay for the purpose of pensionary benefits is in violation of Rule 33 of the CCS (Pension) Rules. In this connection, a copy of the DO letter No.CPAO/Tech/Clarification/2009-10/228 dated March 17, 2010 from Controller of Accounts, Department of Expenditure, Ministry of Finance addressed to Chief Controller of Accounts, Department of Space, together with a copy of letter dated December 30, 2009 from Director, DP&PW addressed to Chief Controller of Accounts, Central Pension Accounting Scheme, New Delhi, is enclosed for ready reference. Accordingly, the Chief Controller of Accounts, Central Pension Accounting Office, New Delhi, have advised this Department not to take Special Pay of Rs.4000/- as pay for the purpose of pensionary benefits. It has also been brought to the notice of this Department by some Centres that Central Pension Accounting Office have been returning the Pension Payment Orders of the concerned pensioners, which also included Rs.4000/- Special Pay as 'Pay' for the purpose of pension.

विषय/Subject : Reckoning of Special Pay (SP) of Rs.2000/Rs.4000 granted in lieu of higher scale of pay to Scientist/Engineer 'H', for the purpose of revision of Pension of pre-2016 pensioners/family pensioners with effect from 01.01.2016.

***

Consequent on the implementation of Government's decisions on the recommendations of the 7th CPC, the revision of pension of pre-2016 pensioners/family pensioners has to be revised in accordance with the instructions contained in the DP&PW OM No.38/37/2016-P&PW(A), dated 12.05.2017 read with the OM of even number, dated 06.07.2017 and 18.07.2017.

केंद्रीय लोक सूचना अधिकारी CENTRAL PUBLIC INFORMATION OFFICER प्रमाणित प्रति CERTIFIED COPY LPSC/ISRO/DOS

2. The component of Special Pay of Rs.2000/- was granted to Scientist/Engineers 'H' in lieu of higher scale of pay with effect from 1.1.1996. This was further revised and enhanced to Rs.4000/- with effect from 01.01.2006. The component of special pay payable to Scientist/Engineer H was reckoned as part of pay for the purpose of pensionary benefits with effect from 1.1.1996 as per DOS OM NO.2/10(8)/98-I dated 11.7.2003. Subsequently, the Department, vide letter No.A.22013/1/2005-Sec.I, dated 4.8.2010 (S/E), directed the Centres/Units including autonomous bodies to fix the pension in respect of Scientist./Engineer.-H without taking into account the component of Special Pay of Rs.4000/- as pay for the purpose of pension.. Accordingly, the Special Pay was not taken into account for the purpose of pension and pensionary benefits in respect of those Scientist/Engineer 'H', who retired on or after 04.08.2010.

3. Consequent to the above, certain doubts have been raised by the Centres/Units, with regard to the method of reckoning the component of Special Pay drawn by the retired Scientists/Engineers-H towards notional revision of pre-2016 pension/family pension with effect from 01.01.1996. The matter has been examined in detail and after taking all the relevant factors into account, the fixation formulae to revise the notional pension/family pension of pre-2016 pensioners/family pensioners with effect from 01.01.2016 and the component of the Special pay of Rs.2000/Rs.4000/- in respect of Scientist/Engineer 'H' who retired on or before 03.08.2010, will be as follows:

P.V. 10/07/2018

...2/-

Step-1 : The notional pension/family pension, **excluding the component of Special Pay (SP)**, shall be arrived at in accordance with the provisions of the DP&PW OM No.38/37/2016-P&PW(A), dated 12.05.2017 read with the OM of even number, dated 06.07.2017 and 18.07.2017 and it shall be treated as basic pension w.e.f. 01.01.2016.

Step-2: After arrival of the basic pension as on 01.01.2016, the component of Special Pay in respect of Scientist/Engineer 'H' will notionally be revised and reckoned by adding 50% of the component of Special Pay to his/her basic pension.

To Illustrate:

Scientists/Engineers 'H', who retired between 01.01.1998 and 03.08.2010)

(1) Mr. ABC retired as Scientist./Engineer.-H on 31.05.2004 in the scale of pay of Rs.18400-500-22400. At the time of his retirement, his basic pay was Rs.22, 900/- + Rs. 2000 (Special Pay drawn w.e.f. 01.01.1998). In this case, the notional Pay, notional Special Pay and Revised Pension shall be computed as follows:

(a)	Notional Pay as on 1.1.2006	=	Rs.63410/-
(b)	Notional Special Pay as on 1.1.2006	=	Rs.4000/-
(c)	Notional Pay as on 1.1.2016	=	Rs.167200
(d)	Revised Basic Pension as on 1.1.2016	=	Rs.83600/-
(e)	**Add 50% of notional Special Pay Rs.4000 to his/her Revised basic pension**	=	**Rs.2000/-**
(f)	**Revised Pension payable w.e.f. 01.01.2016 (d+e)**	=	**Rs.85600/-**

(2) Mr. XYZ retired as Scientist/Engineer 'H' on 31.7.2010 in the Pay Band Rs.37400-67000 with Grade Pay Rs.10000. At the time of his retirement, his basic pay was Rs.71380. He was drawing an amount of Rs.4000/- towards special pay. In this case, the notional Pay, Special Pay and Revised pension shall be computed as follows:

(a)	Notional pay as on 1.1.2016	=	Rs.188200/-
(b)	Special Pay as on 1.1.2016	=	Rs. 4000/-
(c)	Revised Basic Pension as on 1.1.2016	=	Rs.94100/-
(d)	**Add 50% of Special Pay Rs.4000 to his/her Revised basic pension.**	=	**Rs.2000/-**
(e)	Revised Pension payable w.e.f. 01.01.2016 (c+d)	=	Rs.96100/-

4. The instruction issued by the Department vide letter No.A.22013/1/2005-Sec.I, dated 04.08.2010 shall strictly be adhered to in respect of the Scientist/Engineer 'H' who retired on or after 04.08.2010.

5. In view of the above, pending cases of the revision of pension/family pension, if any, may be processed expeditiously,

6. This issues with the approval of Competent Authority.

Dr. Mukundakam Sharma, J.

1. Leave granted.

2. These appeals arise out of the common judgment and order dated 24.4.2007 passed by the Division Bench of the High Court of Judicature at Madras by which the High Court upheld the common order dated 11.8.2005 passed by the Central Administrative Tribunal, Madras Bench (hereinafter referred to as the 'Tribunal') and dismissed the writ petitions filed by the appellant- Union of India.

3. By the aforesaid order the Tribunal quashed the minutes of the Departmental Promotion Committee (DPC) dated

13.10.2003 in respect of both the respondents herein and directed the appellants herein to evolve a proper format for recording minutes of DPC and to review the case of the two respondents, namely, Shri B. Annathurai and Shri E. Chandiran Gandhiji respectively for promotion to the post of Scientist/Engineer 'SB' and Scientist/Engineer 'SD' with effect from 01.04.1999 and 01.01.2000 respectively. Review applications filed by the appellants were also dismissed by the Tribunal through a common order dated 26.10.2005 as being in the nature of an appeal. The writ petitions filed by the Union of India and others against the aforesaid findings were dismissed by the High Court.

4. A time bound merit based and non-vacancy oriented scheme of promotion called Flexible Complementary Scheme (for short FCS) has been in existence in Indian Space Research Organisation (for short 'ISRO')/Department of Space (for short 'DOS') for promotion of its Scientific and Technical personnel in all the four groups (A, B, C & D) right from the year 1976. Emphasis was on merit and not on seniority unlike in other Ministries/Departments of Government of India. The Department of Space was vested with powers to formulate its own policies including norms for recruitment and promotion of its personnel and to this extent, the DPT orders were not applicable to ISRO/Department of Space. In 1972, ISRO was brought under DOS by the Govt. of India

केन्द्रीय लोक सूचना अधिकारी CENTRAL PUBLIC INFORMATION OFFICER प्रमाणित प्रति CERTIFIED COPY LPSC/ISRO/DOS

5. The Liquid Propulsion Systems Centre (for short 'LPSC'), the appellant Organization is one of the five major Centres of ISRO under DOS, Government of India. The Ministry of Personnel and Training, Government of India issued OM No. 2/41/97-PIC, dated 9.11.1998 as a continuation of O.M. No. A.42014/2/86-Admn 1(A), dated 28.5.1986 introducing Flexible Complementing Scheme of promotion in other Scientific and Technological Departments which was not applicable to ISRO/DOS. Relevant portion of the said OM is extracted hereunder:

> ".....1. The recommendation of the Pay Commission that the modified Flexible Complementing Scheme proposed by it should be applicable in all the Departments, including the Departments of Space, Atomic Energy and DRDO without any special dispensation for any individual department, has not been accepted. The existing scheme of merit based promotion system covering the Group 'A', 'B', 'C' Personnel, as presently applicable in the Department of Atomic Energy, the Department of Space and the DRDO shall continue.
>
> 2. The recommendation of the Pay Commission to define "Scientific Administrators" and to exclude them from the benefit of in situ promotions under Flexible Complementing Scheme and to bring them under the ambit of "Assured Career Progression Scheme" formulated by the Pay Commission has not been accepted. However, it has been decided that the Flexible Complementing Scheme should, as per its original objective, be made applicable only to scientists and technologists holding scientific posts in Scientific and Technology Departments and who were engaged in scientific activities and services....."

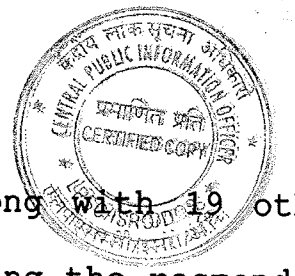
The respondent no. 1 herein namely B. Annathurai was working as Technical Assistant 'C' in the grade of Rs. 5500-175-9000 whereas respondent No. 2, namely Shri E. Chandiran

Gandhiji was working as Scientist/Engineer 'SC'. Both were working in the appellants Organization i.e. Liquid Propulsion Systems Centre.

7. Respondent No. 1 was considered by the DPC for promotion to the post of Scientist/Engineer 'SB' in the review held on 20.4.1999 along with 18 other candidates. Cases of five candidates including the respondent No. 1 were deferred by DPC to be reassessed after one year as per prevalent norms. In view of certain special order issued by the Department, the respondent No. 1 became eligible for consideration once again along with others even before completion of one year period. But respondent no. 1 did not appear for the interview, although he was called for the same.



8. Respondent no. 2 was interviewed along with 19 other candidates. Cases of six candidates including the respondent no. 2 were deferred by the DPC. Respondent no. 2 was called for interview again after one year on 19.12.2000 but he did not appear. Respondent no. 1 was again called for interview on 30.2.2000 but again he did not appear.

9. Both the respondents filed separate O.A. before the Central Administrative Tribunal, Chennai Bench, (for short 'Tribunal') praying for setting aside the DPC proceedings held on 20.4.1999 and 23.12.1999 respectively. They stated

that the appellants are unhappy with them for repeatedly approaching the Tribunal with regard to promotion. By a common order dated 4.7.2001 the learned Tribunal directed to reconstitute the DPC by including a member of SC/ST community as prayed for by respondents. In compliance with the said direction the appellant organization reconstituted the DPC and called both the respondents for interview but they did not attend. They were given further opportunities even subsequent thereafter on 1.4.1999 and 1.1.2000 respectively. Although they appeared before the Selection Committee but they refused to answer any of the questions put to them by the DPC members. Therefore, the respondents were not recommended for promotion.

10. Respondents were given further opportunities to appear in subsequent selections held for the purpose but they did not appear. They did not appear in the interview which was conducted as per Tribunal's order dated 28.8.2003 as such they were not recommended for promotion by the duly reconstituted DPC. The respondents filed O.As. before Tribunal which were disposed off by the Tribunal by a common order dated 11.08.2005 directing the appellants to evolve a proper format for recording the minutes of the DPC taking into account the various requirements and then to hold a Review DPC retrospectively i.e. as on 01.04.1999 and 01.01.2000 respectively.

11. Being aggrieved the appellants herein filed writ petitions before the High Court of Madras. The High Court found no merit in the writ petitions and dismissed the same. It did not find any illegality or perversity in the findings of the Ld. Tribunal and directed the writ appellants to implement the directions of the Tribunal within a period of three months from the date of receipt of a copy of the order of the High Court. Hence the appellants filed the Special Leave Petitions on which leave stand granted.

केन्द्रीय लोक सूचना अधिकारी CENTRAL PUBLIC INFORMATION OFFICER प्रमाणित प्रति CERTIFIED COPY LPSC/ISRO/DOS

12. The High Court in paragraphs 10, 11 and 12 of the impugned judgment observed as follows:

"10. The procedure for conducting DPC was issued by the Government of India in G.I. Min. of per. & Trg. OM No. 2/41/97-PIC, dated 9.11.1998 as a continuation of O.M. No. A.42014/2/86-Admn 1(A), dated 28.5.1986. The allegation of the applicants is that the authorities have disobeyed the said instructions issued by the Government of India. As could be seen from the affidavit filed in support of these two writ petitions, the contention of the appellants is that there is no apportionment of marks for interview and ACRs in the scheme of promotion followed for Scientific Assistants, Technical Assistants and Scientists/Engineers and therefore, the DPCs, need not mention any thing about these two elements of review in the minutes. When Government of India has specifically issued instructions/guidelines to be followed in such matters, the appellants/authorities are bound to follow the same. Without complying with the said instructions, the appellants have taken a flimsy stand that such a practice is in vogue for the last three decades. Prolonged continuation of illegality cannot acquire the status of legality for any purpose. Further from paragraph No. 16 of the order of the Tribunal, we are able to see that the learned counsel for the authorities represented before the Tribunal that he would personally brief the authorities about the need for proper documentation of the DPC proceedings, probably realizing the mistake committed by the authorities. In such circumstances, taking a stand by the authorities that everything is well with them, does not appear to be fair and therefore, we are unable to appreciate the stand taken by the appellants.

11. Further more, the Tribunal, to find out whether the authorities have acted fairly and considered the cases of the applicants in both the writ petition herein had called for the original minutes of the DPC held on 13.10.2003 and found the entire procedure adopted by the authorities to be illegal, which resulted in miscarriage of justice. The Tribunal, had scrupulously analysed the case in depth as could be seen from paras 12 and 13 of its order, in the light of the discrimination and injustice meted out to both the applicants in both the writ petitions just for the reason that they have knocked the doors of justice, and had quashed the DPC proceedings held on 13.10.2003. The said files were also placed before us for our perusal. Having gone through the entire files submitted by the appellants, we are unable to take a different stand from that of the one taken by the Tribunal, since the entire proceedings depicts a clear picture of go-bye given to the instructions issued in this regard by the Government of India.

12. Having gone through the entire materials placed on record, including the original files submitted by the appellants and the order of the Tribunal, we are unable to find any illegality or error apparent on the face of the record or any perversity in approach of the Tribunal, so as to invoke the extraordinary jurisdiction of this Court under Article 226 of the Constitution of India. Therefore, we find no merits in both these writ petitions."

13. The learned counsel for the appellants submitted that the Tribunal as also the High Court failed to appreciate the fact that the DPC procedure and the recording of minutes is the procedure which has been followed for more than three decades in the Department of Space. He further submitted that Para 10 of the judgment of the High Court, quoted above, suffers from an error apparent on the face of record, since the Division Bench had not adverted to the stipulations contained in the first paragraph of DPT OM dated 9.11.1998, which unequivocally states that the directions contained therein are not applicable to the DOS as in the case of the

Department of Atomic Energy and the Defence Research and Development Organisation (for short 'DRDO'). It was pointed out that the suggestion of the Vth Central Pay Commission to make the modified Flexible Complementing Scheme of Promotion for the Group 'A' Scientists of all the Departments of the Central Government without any special dispensation has not been accepted by the Government and the merit-based promotion scheme existing in these Departments has been allowed to continue, which fact has been totally overlooked by the High Court.

केन्द्रीय लोक सूचना अधिकारी CENTRAL PUBLIC INFORMATION OFFICER प्रमाणित प्रति CERTIFIED COPY LPSC/ISRO/DOS

14. It was also submitted that orders of reservation issued by the Government of India are ipso facto not applicable to the Department of Space, as the Scientific & Technical posts in Group 'A' and 'B' in the said Department have been exempted from the purview of reservation orders under Office Memorandum dated 28.7.1975. But despite the said fact the appellant Deptt. complied with the orders of reservation passed by the Tribunal by including SC and ST Member in the DPC and tried to conduct the DPC for the respondents but still the respondents did not consider it appropriate to appear in the said interview and availed the opportunity. The counsel also submitted that the DPC procedures are being followed in the Department for more than three decades which were formulated on the basis of a Presidential Notification dated 18.07.1972 conferring special powers and privileges on the Department including the powers

for formulating all matters relating to personnel policy including the norms for recruitment and promotion of its personnel. The counsel also submitted that the High Court acted without jurisdiction in issuing the directions as contained in the impugned order passed.

15. The counsel appearing for the respondents, however, refuted the aforesaid submissions and contended that both the orders of the High Court as also the order passed by the Tribunal are legal and valid, and therefore, the directions issued in the said orders are required to be strictly complied with by the appellants. It was also submitted that the Office Memorandum dated 09.11.1998 clearly provides that the recommendation of Fifth Pay Commission for application of modified Flexible Complementing Scheme proposed by it in all the departments, including the Department of Space, Atomic Energy and DRDO without any special dispensation for any special department, had not been accepted and thus the existing scheme of merit based promotion system covering the Group 'A', 'B' and 'C' personnel, as presently applicable in the Department of Atomic Energy would also continue to apply to the Department of Space and the DRDO also. It was also submitted that the contentions of the appellants that they are not bound to follow the procedure laid down in modified Flexible Complementing Scheme is unjustified and untenable. It was also submitted that the DPC has not recorded its findings in detail while DPC is required to record in detail

its finding including the objective assessment of the merit of the candidate on each factor considered for such assessment and therefore DPC acted in derogation and in violation of its own circulars and consequently the order passed by the Tribunal to evolve a proper procedure for eliminating the elements of bias, prejudice or undue victimization of the candidates was justified.

16. In the light of the aforesaid submissions of the counsel appearing for the parties, we have scrutinised the records, particularly, the Office Memorandum dated 9.11.1998. A bare perusal of the 1st paragraph of the said Memorandum would make it crystal clear that the directions contained therein are not applicable to the department of Space as in the case of Department of Space and Atomic Energy and DRDO. It was clearly stated in the said Memorandum that the recommendation of the Fifth Pay Commission to make modified Flexible Complementing Scheme of promotion for Group 'A' Scientists for all the Departments of the Central Government without any special dispensation for any individual department, has not been accepted by the Government and the merit based promotion existing in these Departments has been allowed to continue. The said stipulation in the office memorandum appears to have been overlooked by the Tribunal and the High Court while issuing the directions as contained in their orders impugned herein.

17. The learned counsel appearing for the appellants also

brought to our notice a statement showing Review of the cases of the respondents by the Department Promotion Committee. A perusal of the same would indicate that both the respondents 1 and 2 have absented themselves in almost all the selection processes before the Departmental Selection Committee. We would like to extract the aforesaid statement, which is as under:

11.	01.01.20 06	23.12.2005	Promoted to the post of Scientist/Engineer 'SD'

*As directed by the Hon'ble Tribunal

The above statements clearly indicate that although several opportunities have been granted to the respondents

but they chose not to appear in the interviews held for the purpose of considering their cases for promotion whereas now they have been arguing for their promotion with retrospective effect. It is necessary to mention at this stage that respondent no. 2 Sh. E. Chandiran Gandhiji appeared in the DPC held on 01.01.2006. He also appeared in the interview held on 23.12.2005 and he was found suitable for promotion in the said selection and accordingly an order of promotion was passed in his case, promoting him to the post of 'Scientist/Engineer 'SD'' in the year 2006, which he has accepted without any protest. If the Respondents appellants despite being given opportunity to appear in the selection choose not to appear in the selection and stayed away from it they cannot seek for direction from the court for their promotion without appearing in the interview from a retrospective date. The reason for such non-appearance in the interview when called for selection and also for not answering questions in the selection when they appeared has not been given by the respondents. In any case such action on their part was at the peril of their own service career and also definitely detrimental to their interest. Having taken such a vital unilateral decision they now cannot seek to take advantage of their own wrong.

18. The Tribunal as also the High Court failed to notice that the Department has been following an elaborate procedure for assessing the suitability or otherwise of the candidates

for promotion and the said procedure based on the guidelines issued by the Government, which procedure is being followed for a very long period of time, and therefore, the order and the direction issued by the Tribunal which has been upheld by the High Court to evolve a new procedure for the recommendations of the DPC was unwarranted and uncalled for.

19. On close scrutiny of the procedure, which is a part of the Government Notifications dated 30.09.1976 and 22.02.1988, it is clear that the Department has a detailed procedure for assessing the suitability of the candidates for promotion. As per such procedure overall assessment of the candidates has to be taken into consideration i.e. keenness exhibited by the official in the pursuit of his profession, ability to take up higher responsibilities, managerial/leadership qualities, theoretical knowledge, etc. and more specifically achievements of the candidates being reviewed and consequently such a procedure cannot be termed as either arbitrary or unreasonable. In the matter of promotion to the job of Scientists/Engineers working in area like Space, there is no possibility for compromising in the matter of merit and therefore merit is prime consideration which is given emphasis.

20. Considering overall facts and circumstances of the case, we are of the considered opinion that the findings and

conclusions recorded by the Tribunal and upheld by the High Court cannot be sustained and are therefore by this Judgment we set aside and quash the same.

RESOLUTION

1. The Government of India attaches the highest importance to the exploration of outer space and the development of Space Science and Technology and their Applications. Technological advances in this field are based on developments along advancing frontiers of many areas of science and technology. These developments produce rapid obsolescence not only of tools and equipment but also of established systems of Organisation. The sophistication of this technology, the newness of the field, the strategic nature of its development and the many areas in which it has applications have to be borne in mind in devising a suitable organizational framework to handle this area on behalf of Government.

2. In order to promote a rapid development of activities connected with the Space Science, Space Technology and Space Applications, the Government of India consider it necessary to set up an organisation, free from all non-essential restrictions or needlessly inelastic rules, which will have responsibility in the entire field of the Science and Technology of Outer Space and their Applications.

3. After careful consideration, the Government of India have decided to establish a Space Commission with

4. CONSTITUTION OF THE COMMISSION

(a) The Commission shall consist of full-time and part-time members. The total number of members shall be not less than four nor more than seven

(b) The Secretary to the Government of India in the Department of Space will be the Ex-Officio Chairman of the Commission

(c) A member of the Commission shall be the Member for Finance, who shall also be ex-officio Secretary to the Government of India in the Department of Space in financial matters.

OFFICE MEMORANDUM

Sub: Career opportunities for Scientists/ Engineers - Procedure for selection under the periodical reviews.

The following is the review procedure in respect of Scientists/Engineers (including Medical, Public Health, Library and Documentation Officers) in the grade SB and above under the merit promotion scheme (flexible complementing scheme) as in vogue in DOS/ISRO for the past several years.

1. Eligibility period for review:

(a) The following is the minimum eligibility period for being considered under the scheme first (a) by the Screening Committee and (b) thereafter by the Selection Committee for those who qualify in the Screening Process.

Grade	Minimum eligibility period for Review
SB to SC	3 years
SC to SD SD to SE SE to SF	4 years
SF to SG SG to G & G to H	5 years

(b) The eligibility period will be recknoned based on the provisions contained in OM No.HQ:ADMN:4.20(3) dated December 17, 1977.

2. Procedure for Review:

(a) Screening by the duly appointed Screening Committee.

(b) Interview by the duly appointed Selection Committee of those who qualify in the Screening procedure.

...2.

8/16

275

The composition/mode of constitution of the Screening/Selection Committees and competent approving authorities are specified in the Annexure-I to this OM.

3 Screening:

3.1 Procedure of Screening:

(a) Screening is to ensure that the candidates presented to the Selection Committee for assessment are those who prima facie appear to possess the necessary minimum merit demonstrated through accomplishments to their credit in their area of work during the period under Review. Since the Selection procedure for S&T Staff is based on the principle of peer review, the Screening process is also aimed at ensuring that the persons recommended have more or less the same level of technical proficiency and competence expected of the Scientists/ Engineers to discharge their responsibilities in the higher grade. The Screening Committee will consider each case carefully and objectively and make suitable recommendations after examining the work report of each individual, ACR assessment, recommendation of the Divisional/Unit Head and papers/ technical reports, if any, genera ted by the person concerned.

The Screening Committee will categorise the persons as those 'Screened in', i.e. those who could be considered by the Selection Committee, and those 'Screened out' that is those not recommended by them for being considered further by the Selection Committee. These recommendations are considered by the competent authority as indicated in Annexure-I for appropriate decisions.

3.2 Reconsideration of cases not recommended in Screening process:

Where the competent authority, on consideration of the recommendations of the Screening Committee decides that the candidate does not qualify for consideration for promotion by the Selection Committee, his/her case will be placed before the Screening Committee after one year. The Screening procedure as laid down above will be repeated..

Order

(Pronounced by Hon Mr. V.Lakshmi Ratan, M(A)

Sri D. Annathurai is before us seeking the following relief :

To pass an order of writ of certiorarified mandamus calling for the records in respect of the order No.LPS(M):EST:I(9)C/2003, dated 20-10-2003 passed by the 2nd respondent and appeal rejection order No.3/3(2)-2(a)/99-RMT dated 4-2-2004 passed by the 1st respondent and quash the same and in consequent direct the respondent to issue promotion order as on 1-4-1999 to the post of Scientist/Engineer 'SB' and pass such further or other orders as this Hon'ble Tribunal may deem fit and proper and thus render justice. (OA.32/05).

and Sri E. Chandiran Gandiji, seeking the following relief:

To pass an order of writ of certiorarified mandamus calling for the records in respect of the order No.LPS(M):EST:I(9)A/2003, dated 20-10-2003 passed by the 2nd respondent and appeal rejection order No.3/3(1)-2(a)/2000-RMT dated 2-6-2004 passed by the 2nd respondent and quash the same and in consequent direct the respondent to issue promotion order as on 1-1-2000 to the post of Scientist/Engineer 'SD' and pass such further or other orders as this Hon'ble Tribunal may deem fit and proper and thus render justice. (OA.33/05).

2. The applicants have been repeatedly approaching this Tribunal for

2/10

securing promotion w.e.f..1-4-99 and 1.1.2000 respectively. It is specific contention of the applicants that the respondents are unhappy with them for repeatedly approaching the Tribunal with regard to promotion and they have been acting with prejudice. It is further contention of the applicants that despite clear directions of the Tribunal, the respondents informed vide their communication dated 20-10-03 that their promotion to the post of Scientist / Engineer 'SB' and Scientist /Engineer 'SD' grades respectively had not been recommended by the Review DPC. Whereafter they have represented against these impugned orders through Annexure A-6 and A-5. Vide detailed order dated February 4, 2004 and June 2, 2004 respectively, the respondents informed that their representations have been carefully considered and that the DPC which met on 13-10-03 had not found them suitable for promotion.

3. The Director, Liquid Propulsion Systems Center (LPSC for short) informed the applicants that the DPCs in ISRO assess the various traits of a candidate for promotion under Flexible Complementing Scheme (FCS) including the candidates' contributions in their present grade to the assigned work, ability to include theoretical knowledge in handling higher responsibility in technical areas, his total perception to the technical and scientific tasks etc. assigned to the Centre. With regard to these parameters the DPC assessed the applicants and had not found the applicants suitable to the posts of

LPSC/ISRO/DOS

3/10

Scientist/Engineer 'SB' and 'SD' respectively and deferred the cases in line with the procedural formalities and review of cases of the Technical and scientific employees.

4. The communication further states that once a candidate's case is deferred, such candidates prepare themselves for better performance before the DPC in the subsequent interviews and majority of them put in extra efforts to move into the higher grades in the subsequent batches. However, Shri Annathurai and Shir E. Chandiran Gandhiji had not taken such efforts and were only repeatedly representing the matter, on the plea of their own self assessments that they had done well in the interviews. The applicants were finally informed that the DPC and LPSC had meticulously followed the directions issued by the Hon'ble Central Administrative Tribunal, Chennai and further advised the applicants to concentrate on the assigned technical work which was expected of them. The applicants had sought leave of this Tribunal to file a copy of this order as they had lost originals which was agreed to.

केन्द्रीय लोक सूचना अधिकारी CENTRAL PUBLIC INFORMATION OFFICER प्रमाणित प्रति CERTIFIED COPY LPSC/ISRO/DOS

5. On issue of notice, the respondents have filed a detailed reply.

6. The respondents state that the career opportunites in respect of Scientists and Technical personnel in ISRO is governed by a scheme viz. Flexible Complementing Scheme (FCS) under which promotion to the higher posts is non-vacancy based but on merits as duly assessed by the Departmental

Promotion Committee (DPC) consisting of senior scientists /engineers. The Respondents state that the applicants were considered by the DPC which met on 20-4-1999 wherein five cases including the applicants were deferred by the DPC to be reassessed after one year as per prevelant norms.

7. It is further submitted that aggrieved over the deferment, the applicant filed OA.37/2000 praying for setting aside the DPC proceedings held on 20-4-99 as the DPC did not include a SC/ST individual as member, as required under the Rules. Another employee viz. E. Chandran Gandhiji (applicant in OA.33/05) who is also an SC candidate and whose case was assessed by DPC as on 1-1-2000 and was recommended for promotion also approached this Tribunal by filing OA.107/2000 with similar prayer. The OAs were disposed of in a combined order dated 4-7-2001 with the following directions.

CENTRAL PUBLIC INFORMATION OFFICER
प्रमाणित प्रति

LPSC/ISRO/DOS

"The action of the respondents in not co-opting a member belonging to the SC/ST community in the DPC held on 20-4-1999 in OA.1337/2000 and 23-12-1999 in OA.107/2001 is in violation of the instructions of Government of India and is illegal. Consequently, the proceedings of the DPC held on 20-4-1999 and 23-12-1999 in so far as it relates to the applicants and the order dated 21-5-2000 in respect of the applicant in OA.1337/2000 and the order dated 20-1-2000 in respect of the applicant in OA.107/2001 are quashed and the respondents are directed to reconstitute the DPC by including a member of the SC/ST community for review as on 1-4-1999 in respect of the posts of Scientist/engineer – SB grade in respect of OA.1337/2000 and also in respect of the posts of Scientist/Engineer -SD grade as on 1-1-2000 in respect of OA.107/2001 within a period of three months from the date of receipt of a copy of this order." (emphasis supplied).

8. In compliance of the aforesaid directions, the respondents

5/10

reconstituted the DPC by including SC/ST Member and the applicants were directed to attend interview scheduled on 4-10-001. The applicants contended that the order of the Tribunal was to hold interview for all 18 candidates initially interviewed along with them including all those who had been promoted. The respondents informed the applicants that the Tribunal had quashed the orders only in respect of the applicants and therefore they were again advised to attend the interview on 13.11.2001. The applicant-1, however, filed CP.71/02 in OA.1337/2000 alleging that the respondents had failed to comply with the directions of the Tribunal. This was dismissed by the Tribunal vide its order dated 1-10-2002 wherein it was recorded that, "the learned counsel for the applicants conceded that there was a mistake in understanding the order of this Tribunal and therefore, the applicants did not present themselves before the DPC. However, since the applicants were not considered by the Review DPC, we give one more opportunity to the applicantsby convening a review DPC within one month from the date of receipt of copy of this order. We expect that the applicants will cooperate this time".

CENTRAL PUBLIC INFORMATION OFFICER

9.1. The respondents obeyed the directions by scheduling yet another interview on 21-11-2002 wherein the applicants attended but refused to answer any of the questions put by the DPC as disclosed by the DPC proceedings

6/10

dated 20-11-2002 (Annexure R-1). In view of that fact of the matter they were not recommended for promotion by the DPC. Thereafter, the applicants again moved the Tribunal through OA.781/03 which was disposed of at the admission stage itself, wherein the Tribunal noted that surprisingly and to its disappointment, the applicants had not made use of the of the opportunites and normally it would have dismissed the OA. However, taking a sympathetic view, one more opportunity was granted to the applicants to appear before a reconstituted DPC.

CENTRAL PUBLIC INFORMATION OFFICER
प्रमाणित प्रति

LPSC/ISRO/DOS

9.2. The respondents conducted interview again on 13-10-2003 in which the applicants participated but however were not recommended for promotion by the DPC. Aggrieved over this non-promotion, the present OA has ben filed.

10. It is the specific contention of the respondents that there has been no discrimination in respect of the candidature of the applicants, their work has been reviewed and assessed by the Technical experts serving on the DPC. The respondents further submit that representation of SC/ST members as directed by the Tribunal was also provided and the non-coperative attitude of the applicants has to be noted with adverse inference.

11. We have carefully listened to the arguments of the ld. Counsel of both the parties besides perusing the replies.

12. On various occasions we have noted the rather non-cooperative

7/10

attitude of the applicants. However, to satisfy ourselves that the respondents had acted fairly and squarely considered the cases of the applicants in accordance with the applicable parameters in the DPC, we deemed it fit to call for the original Minutes of the DPC held on 13-10-2003. To our utter disappointment, we find that the aforesaid minutes only records the fact that seven members constituting the DPC had reviewed the case of B. Annathurai as on 1-4-99 and had recommended to defer his case. Normally, the DPC Minutes should indicate in brief the manner in which various parameters have been considered by it. Eg. If ACRs have been considered, there should be supporting documents to show that ACRs were considered for the spelt out period like for example, say five years or seven years etc. They would have also been required to record that adverse remarks in the ACRs not communicated to the applicants have been ignored. DPCs which considered Technical work of Scientists / Engineers likewise would be expected to list out briefly the specific contributions made or the like of it in the spheres of technical work assigned etc.

CERTIFIED COPY
LPSC/ISRO/DOS

13. If there had been a personal talk with the candidate it is only normal for us to expect the overall assessment to be indicated. The specific bench marks that have been laid down for promotion under the Recruitment Rules, it would be normal for us to look for information as to whether the applicants

satisfied the said bench mark/s or not. Without any of the above information if there is only a bald and cryptic finding, "deferred", the same can only be described as unsatisfactory. Merely placing a copy of the bio-data of the candidates along with the recommendations of his immediate superior would not be a sustitute for the type of information outlined above.

14. Hence, without going into the rival contentions and the merits of the case, we deem it fit to quash the DPC proceedings held on 13-10-2003 in respect of both the applicants. We also direct the respondents to first evolve a proper format for recording the Minutes of the DPC taking into account the various requirements that a candidate is required to satisfy for making the grade under the FCS. After completion of the above exercise, a review DPC will be held to consider promotion of the applicant in OA.32/05 as on 1-4-1999 to the post of Scientist/Engineer-SB and the applicant in OA.33/05 as on 1-1-2000 to the post of Scientist/Engineer-SD.

CENTRAL PUBLIC INFORMATION OFFICER
प्रमाणित प्रति

LPSC/ISRO/DOS

15. The above exercise shall be completed within a period of four months from the date of issue of a copy of this order.

16. Learned counsel for the respondents represents that he would personally brief the respondents about the need for proper documentation of

9/10

the DPC proceedings.

17. The OAs are allowed to the above extent with no order as to costs.

ant has filed the above OA for declaring
mpugned order dated 20.1.2000 as illegal
for directing the respondents to quash the

stitute a fresh DPC by including an officer
onging to SC/ST community to consider his
romotion to the post of Scientist/Engineer-

The reservation Orders will be applicable to all the remaining categories of Scientific, Technical and Auxiliary posts under the Indian Space Research Organisation/ Department of Space."

Relying upon the above OM, the learned counsel for the respondents contends that the post involved in this case are exempted from the purview of reservation orders and hence the inclusion of member of the SC/ST community is not mandatory and non-inclusion of a SC/ST member in the DPCs will not amount to any violation of Government of India orders relied upon by the learned counsel for the applicants which is extracted above. Manual of Government of India, Department of Personnel and Training instructions contained in Clause 2.7 extracted above clearly shows that a member belonging to SC/ST community should be included in the DPC for selection in Group 'A' and Group 'B' services/posts. But the OM of Government of India, Department of Space relates to the exemption of certain categories of Scientific, Technical and Auxiliary posts under 'ISRO' from the purview of reservation orders.

ORDER

(Pronounced by the Hon'ble Mr. S. Manickavasagam, Member(A)).

Heard both sides. The learned counsel for the respondents pointed out that in pursuance of the orders xxxxxxxxxxxxx of this Tribunal in OAs.1337/2000 and 107/2001, a review DPC was constituted by including a 'SC' member and the applicants were asked to appear before the DPC. However, despite four opportunities given to the applicants over a period of time, they did not attend the DPC and were declared absent. Therefore, it was pointed out by the learned

...3...

17/29

counsel that the respondents have not committed any contempt.

2. The learned counsel for the applicants conceded that there was a mistake in understanding the order of this Tribunal and therefore, the applicants did not present themselves before the DPC. We record the averment of the learned counsel. However, since the applicants were not considered by the review DPC, we give one more chance to the applicants. Accordingly the respondents are directed to give one more opportunity to the applicants by convening a review DPC within one month from the date of receipt of a copy of this order. We expect that the applicants will cooperate this time.

3. Under these circumstances, we do not find any merit in the above CAs and they are dismissed. No costs.

ORDER

(Pronounced by Hon'ble Shri S.Manickavasagam, Administrative Member)

The applicant came before the Tribunal on an earlier occasion in OA No.107/01, with the grievance that in a departmental promotion committee constituted for assessing the candidates for promotion, no Scheduled Caste member was included. After hearing the parties concerned, the Tribunal set aside the impugned order therein, in respect of the applicants alone and then directed to reconstitute the DPC by including a member of the SC, ST community for review.

2. Rightly, the respondents had taken a view that the applicant should be interviewed by a reconstituted DPC after including the SC/ ST member as directed by the Tribunal. But, the applicants have been making a totally different interpretation, in that, the reconstituted DPC should interview all the candidates who were interviewed previously and then only arrive at a decision. Since this request

was rejected by the respondents by the i

dated 31-1-03, the applicant has come before the Tribunal again seeking the following prayer:

" For the reasons and facts stated above in para. 4. the applicants pray that this Hon'ble Tribunal may be pleased to pass AN OR DER OF WRIT OF "Certiorarified Mandamus" calling for the records available with the respondents in the order No.3 /2(1)-(OA.107/2001)/03- DLS, dated 31-01-2003 and 3/2(2)-(OA. 1337/2003)/03- DLS, dated 31-01-2003 and quash the same and pass a mandate order that all the proceedings of DPCs constituted without SC/ST member is null and void and the review should be done, to the aggrieved SC/ST applicants along with all the other candidates in the same panel of consideration, by theDPC concerned after reconstituted including a member from the SC/ST community and to pass such furtner or other orders as this Hon'ble Tribunal may deem fit and proper and thus render justice."

3. We heard the learned counsel for the applicants at length. We are not satisfied by the way the applicant has interpretted our order in OA No.107/01 and OA No.1337/2000 dated 4-7-01. The direction of the Tribunal is very clear. It was felt that the absence of a Scheduled Caste, Scheduled Tribe member in the promotion committee has put the applicants therein at a disadvantage and

therefore, a review DPC should be held for the applicants by suitably reconstituting the DPC by inclusion of a SC, ST member. From the papers filed along with the OA, we find that the respondents have been taking adequate steps to comply with the directions of the Tribunal. The applicants came before the Tribunal in a Contempt Petition CA No. 70 and CA No.71/02.While disposing the two contempt applications the Tribunal reaffirmed the stand and gave the applicants one more opportunity. But, surprisingly and to our disappointment the applicants did not make use of this opportunity also and now have chosen to come before the Tribunal with the same prayer. Though in a normal situation, we would have dismissed the OA as redundant and repetition of earlier OA, we take sympathetic view and grant one more opportunity to the applicants to appear before the reconstituted DPC.

We are recognised forum for developing the Culture of SC/ST peoples. In our District one Central government project ISRO was Situated. In that arount 70 SC'S & 20 ST'S are worked. Recently we came to know that certern SC employees were formed one union without any Departmental recognition. In the Name of SC/ST welfare union; But day by day they were threatening all ST employees who are working very Sincerly to Space Community.

At this Junctape we want to express our real feelings to Govt. of India Home Minister. In this department most of the SC employees were already Converted into Christianity but enjoying SC benefits, (actually one SC Converts into Christian means they are suppose to treat as Back ward Community. .....

Please refer to your online RTI application bearing registration No LPSCV/R/E/22/00009 dated 02.02.2022 seeking information under the provision of the RTI Act, 2005.

In this connection, it has been noticed that Shri Vipin Vijayan had already filed an RTI application dated 28.04.2021 seeking similar information and the same had been replied by the Public Authority vide letter No.LPSC/CPIO-RTI/2021-319/00040 dated 18.06.2021. Further an appeal was preferred by the applicant in this regard and the same had been disposed off by the First Appellate Authority of LPSC vide Decision dated 06.07.2021.

Now, another similar application seeking same information is received from the same applicant. In view of this, it is informed that according to CIC Decision, **repeated RTI applications by an applicant seeking similar information shall be ground for rejecting the plea, for which reply has been given**.

Hence it is informed that the public authority is unable to consider your application dated 02.02.2022.

Sir,

विषय/Subject: Information under the RTI Act, 2005 – reg.

.....

Please refer to your online RTI application bearing Registration Number LPSCV/R/E/21/00040 dated 28.04.2021, seeking information under the RTI Act, 2005. The information sought for by the applicant obtained from the custodian of records at LPSC is disseminated herewith as below:

Query No.	Information sought for	Reply/Comments
Advertisement details of Technical Assistant recruitment 2010 Valiamala		
02	List of interview board members	The question is not clear and specific as he has not furnished the advertisement No. and post details. Moreover, the information related to the list of interview board members is exempted u/s 8(1)(g) of the RTI Act, 2005, hence cannot be furnished.
03	List of selected candidates with mark list	The question is not clear and specific. The applicant is advised to furnish the advertisement No. and post details.
04	Details of Mr. Vipin Vijayan, SC Candidate (application, bio-data, marklist)	Since the question is not clear and specific on the Advertisement No. and post details, marks secured by the applicant cannot be furnished. The applicant is advised to furnish the Advertisement No. and post details. Since the application & bio-data of the applicant contains the personal details of the applicant submitted by himself, the same is not coming under the purview of section 2(f) of RT Act, 2005.

The delay in reply was due to 'lockdown'.

Sir,

विषय/Subject: Information under the RTI Act, 2005 – reg.

.....

Please refer to your online RTI application bearing Registration Number LPSCV/R/E/21/00045 dated 30.04.2021, seeking information under the RTI Act, 2005. The information sought for by the applicant obtained from the custodian of records at LPSC is disseminated herewith as below:

Query No.	Information sought for	Reply/Comments
01	Applied for the post of Technical Assistant in Mechanical against the Advertisement No. LPSC/04/2019 Post code No: - 723 (Roll No: - 72100113) and want to know the written and skill test marks of candidate.	Written test : 245 out of 288 Skill test : 53 out of 100
02	Share the photocopy of skill test answers sheet (checked one) of the applicant against same advertisement.	Information furnished as Annexure - 1
03	Please share the list of written and skill test marks of candidates those who were attempted the skill test against the above advertisement.	Written test and skill test marks secured by the empanelled candidates is furnished as Annexure–2. Marks i.r.o. other candidates appeared in the skill test is personal information and is exempted u/s 8(1)(j) of RTI Act, 2005.
04	Please share the 50 marks question paper conducted during skill test against above advertisement which was conducted on 13th to 16th January 2021.	The question-cum-answer booklet form of the applicant is furnished as Annexure -1. Question papers i.r.o. other candidates appeared in the skill test is personal information and is exempted u/s 8(1)(j) of RTI Act, 2005.

The reply is delayed since the functioning of office was interrupted due to 'Lockdown'.

SKILL TEST FOR SELECTION TO THE POST OF
TECHNICAL ASSISTANT (MECHANICAL)

PART – A

(Skill in subjects)

Maximum Marks : 50

Date : 13/01/2021
Time : 1 hour.

Name of candidate

GORE DIPAK VITTHAL

Roll Number

72100113

Instructions to candidates

1. Write your name and Roll Number in the space provided above .
2. You are permitted to use Scientific calculator without programming facility.
3. This is to test the practical skill in the common Mechanical Engineering subjects
4. Extra answer sheets shall be provided as and when required
5. Write your roll number in all the answer sheets. Do not write your name in any answer sheet.
6. Write relevant steps in solving the problem wherever required.

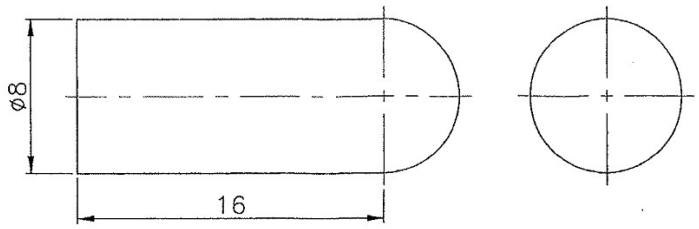
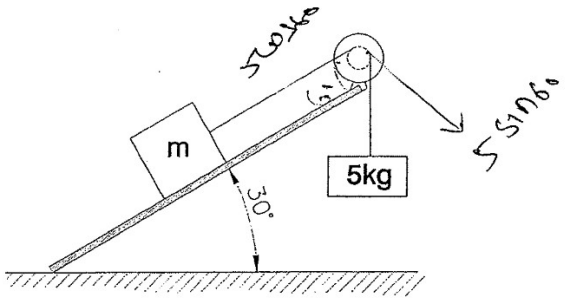
QUESTION PAPER. CODE	721 STA 01

1. Find out the mass of the solid which is made out of stainless steels as per the drawing given below (Assume density of steel as $8g/cm^3$)
(5 marks)



All dimensions are in 'cm'

2. A mass (m) is held in equilibrium on a friction less plane inclined 30° with horizontal by a weight 5 kg shown in figure. Neglect potential effects. Find 'm' (3 marks)



3. Draw the plan, elevation and side view (in 3rd angle projection method) for the object given below in free hand sketch.(5 marks)

by applying continuity eqn b/w ① & ②,

$\rho_1 A_1 V_1 = \rho_2 A_2 V_2$ $\quad \rho_1 = \rho_2 =$ incompressible

$$\boxed{A_1 V_1 = A_2 V_2}$$

$$\frac{\pi}{4} d_1^2 V_1 = \frac{\pi}{4} d_2^2 . V_2$$

Instructions to candidates

- Write your Roll Number on each answer sheet
- This is to test the skill in identification of common mechanical engineering elements
- Elements are displayed on the table with identification number
- Do not take out the 'element' from the location where it is kept.
- Identify the part and write its standard mechanical engineering name in the bookletprovided wherever applicable at respective serial number and identification number.
- No separate answer sheet shall be given .
- There are 20 elements for identification and each carry 1 mark.
- Time allowed for identification of each element in 90 s.

2kg	60 + 30 x 0.02 = 60.60 mm.
0kg	60 + 42 x 0.02 = 60.84 mm

for 2kg of load deflection ⇒ free length − compressed length

⇒ 60.84 − 60.60

K = 81.75 kN/m

procedure :- first I measured the free length of spring when no load is on spring found. 60.84mm. later i applied weight of 2kg and found compressed length 60.60mm by difference calculated deflection (δ).

Stiffness = F/δ ⇒ 81.75 kN/m

Instructions to candidates

1. Write your name and Roll Number in the space provided above .
2. You are permitted to use Scientific calculator without programming facility.
3. This is to test the practical skill in the common Mechanical Engineering subjects
4. Extra answer sheets shall be provided as and when required
5. Write your roll number in all the answer sheets. Do not write your name in any answer sheet.
6. Write relevant steps in solving the problem wherever required.

विषय/Subject: Information under the RTI Act, 2005 – reg.

.....

Please refer to your online RTI application bearing Registration Number LPSCV/R/E/21/50 dated 01.05.2021, seeking information under the RTI Act, 2005. The information sought for by the applicant, i.e. the reason for not including him in the skill test obtained from the custodian of records at LPSC is disseminated herewith as below:

> The applicant has mentioned his category as 'General' in his online application. The mark obtained by the applicant in the written test is 234 out of 284 which is below the cut off marks for General category, i.e. 235 out of 284 and hence he was not shortlisted for skill test, as per the category indicated by him in the application.

The reply is delayed since the functioning of office was interrupted due to 'Lockdown'.

Please refer to your online RTI application bearing Registration Numbers LPSCV/R/E/21/00072 & LPSCV/R/E/21/00073 dated 04.06.2021, seeking information under the RTI Act, 2005. The information sought for by the applicant obtained from the custodian of records at LPSC is disseminated herewith as below:

Query No.	Information sought for	Reply/Comments
01	What was the distribution of marks for evaluation of job?	Criteria for a qualification is 60 marks or more (out of 100) to get qualified in the skill test. The applicant has scored 35.50 marks, hence not qualified in the skill test. Each dimension in the job drawing is allotted marks: if it falls within the tolerance limit, full marks are given. If it varies beyond tolerance limit within a band, marks will be proportionately reduced. If it varies beyond some limit, no marks will be given for that dimension. More weightage in marks are given to some dimensions which are closely tolerated. 20 marks out of 100 are allotted for job suiting, if it perfectly matches. Marks will be proportionately reduced for not suiting male and female parts perfectly etc.
02	Detailed job evaluation marks for example where marks are deducted in his job and where marks obtained in his job?	The applicant is allotted marks for the job as given below: Dimension inspection : Maximum marks 60; marks obtained : 15 Job suiting: max. marks :20; marks obtained: 05 Identification of fitting tools: Max. marks:10; marks obtained : 7.5 Identification of display items : Max. marks : 10; Marks obtained : 8 Total Marks 35.5 out of 100.

.....

Please refer to your online RTI application bearing Registration Number LPSCV/R/E/21/00005 dated 24.06.2021, seeking information under the RTI Act, 2005. The information sought for by the applicant obtained from the custodian of records at LPSC is disseminated herewith as below:

Query No.	Information sought for	Reply/Comments
01	What are the arrangements taken by the Department of Space for the maintenance and preservation of vehicles they own.	As far as LPSC is concerned, the maintenance of vehicles covered under warranty are carried out at Authorised Service Centres. Post warranty period, the maintenance are being done at the in-house workshop with limited facility.
02	Is there any workshops legally existing across the country under the ownership of Department of space.

ORDER

1. Shri Dev Mohan Singh filed an application dated 11.10.2013 under the Right to Information Act, 2005 (RTI Act) with the Central Public Information Officer

(CPIO)/CRPF(HQ), New Delhi seeking information pertaining to the final list released on 07.10.2013 relating to ASI Steno and H.C.(Ministerial) including (i) complete list of 734 candidates along with their name, roll numbers, examination centre, answerbook Set No. and their category and (ii) marks obtained by the selected candidates in the written examination held on 10.03.2013 as well as the marks obtained in the interview.

2. The appellant filed second appeal before the Commission on 22.04.2014 on the ground that he is not satisfied with the information provided by the CPIO and the First Appellate Authority (FAA). The appellant requested the Commission to direct the public authorities concerned to provide the information sought by him and initiate strict action against the violators of the RTI Act to prevent such violations in the future.

Hearing:

3. The appellant Shri Dev Mohan Singh and the respondent Shri Ashwini Parmar, Deputy Commandant, CRPF were present in person.

4. The appellant submitted that the information relating to 734 candidates who have been selected for the post of ASI (Steno) and Head Constable (Ministerial) including their names, roll numbers, examination centers, etc., as sought by the appellant has not been provided to him in response to his RTI application. The appellant with regard to point no.2 of the RTI application, submitted that the information pertaining to marks obtained by the 734 selected candidates in the written examination and the interview has also not been provided to him.

5. The respondent submitted that a recruitment and roll number wise list of 734 candidates who have been finally selected for the post of Head Constable (Ministerial) has already been uploaded on the Department's website (www.crpf.nic.in) on 07.10.2013 and the same has been

intimated to the appellant by the CPIO vide letter dated 29.11.2013. The respondent further submitted that the highest marks obtained by a candidate (written exam and the interview) in the general category along with marks of the last selected candidate in the general category has also been provided to the appellant by the FAA vide letter dated 24.01.2014. The respondent also submitted that the marks of other candidates cannot be disclosed as the same is personal information of third party, disclosure of which would not serve any larger public interest.

Decision:

6. The Commission observes that the information sought by the appellant vide point no. 2 of the RTI application relates to marks obtained by 734 selected candidates in the written examination and the interview. Thus, the information sought is 'personal information' related to a third party. The Commission further observes that the respondent has provided the appellant the range of marks i.e. the highest and the cutoff marks, the appellant, however, needs the marks of all the selected candidates so that he can assess his performance vis-à-vis other selected candidates especially these known to him. The Commission, is of the view that such an analysis would not only help the candidate who were not selected to benchmark their performance but would also dispel any chances of favouritism, arbitrariness and enhance the credibility of the selection process as well as promote accountability of the body conducting the competitive examination. Also such an information particularly when it relates to a competitive examination for which the candidates put in hard work and time involves a larger public interest as the candidates would want the examination to be transparent. In this regard, the Delhi High Court in *Union Public Service Commission v. Chandan Kumar*, W.P.(C) No. 8845/2014 & CM No. 20281/2014 date on 21.12.2015 has held:

"17. The DB of this Court (speaking through the undersigned) in Union Public Service Commission Vs., N. Sugathan and other connected petitions (including Union Public Service Commission Vs. Gourhari Kamila) held that when an applicant for a public post participates in

a competitive process where his eligibility/suitability for the public post is weighed/compared vis-a-vis other applicants and where the examining authority is required and expected to act objectively and to select the best and when such selection process remains subject to judicial review, there has to be an element of transparency therein and an applicant who has been overlooked or has remained unsuccessful is entitled to know the reasons which prevailed for preferring another over him. It was held that without such information the overlooked/unsuccessful applicant would not even be able to seek judicial review of the appointment/selection process and would not be able to point out any irregularity therein. It was thus held that an overlooked/unsuccessful applicant is entitled to details/particulars of the successful applicants. An exception was however carved out with respect to the information sought with respect to other overlooked/unsuccessful candidates. It was held that an applicant who has been eliminated and is satisfied with his elimination is entitled to object to the disclosure of the information submitted by him to the appointing/recruiting agency…."

7. The Commission, in view of the above, directs the CPIO to upload the consolidated list containing the marks of the written exam as well of the interview with the names, roll numbers of only the selected candidates along with the examination center on the website in order to promote transparency.

8. With the above observation, the appeal is disposed of.

9. Copy of decision be given free of cost to the parties.

Annexure - A (22)

Provided that in the case of employees whose pay in the revised pay structure has been fixed as on 1st day of January, the next increment in the Level in which the pay was so fixed as on 1st day of January, 2016 shall accrue on 1st day of July, 2016:

Provided further that the next increment after drawal of increment on 1st day of July, 2016 shall accrue on 1st day of July, 2017.

(3) Where two existing Grades in hierarchy are merged and the junior Government servant in the lower Grade happens to draw more pay in the corresponding Level in the revised pay structure than the pay of the senior Government servant, the pay of the senior government servant shall be stepped up to that of his junior from the same date and he shall draw next increment in accordance with this rule.

11. **Revision of pay from a date subsequent to 1st day of January, 2016.**—Where a Government servant who continues to draw his pay in the existing pay structure is brought over to the revised pay structure from a date later than 1st day of January, 2016, his pay in the revised pay structure shall be fixed in the manner prescribed in accordance with clause (A) of sub-rule (1) of rule 7.

12. **Pay protection to officers on Central deputation under Central Staffing Scheme.**—If the pay of the officers posted on deputation to the Central Government under Central Staffing Scheme, after fixation in the revised pay structure either under these rules or as per the instructions regulating such fixation of pay on the post to which they are appointed on deputation, happens to be lower than the pay these officers would have been entitled to, had they been in their parent cadre and would have drawn that pay but for the Central deputation, such difference in the pay shall be protected in the form of Personal Pay with effect from the date of notification of these rules.

13. **Fixation of pay on promotion on or after 1st day of January, 2016.**—The fixation of pay in case of promotion from one Level to another in the revised pay structure shall be made in the following manner, namely:-

(i) One increment shall be given in the Level from which the employee is promoted and he shall be placed at a Cell equal to the figure so arrived at in the Level of the post to which promoted and if no such Cell is available in the Level to which promoted, he shall be placed at the next higher Cell in that Level.

Dated 27th July, 2017

OFFICE MEMORANDUM

Subject: Availability of option for fixation of pay on promotion from the Date of Next Increment (DNI) in the lower post and method of fixation of pay from DNI, if opted for, in context of CCS (RP) Rules, 2016-regarding.

Prior to implementation of 6th CPC Report, the pay fixation on promotion was governed by provisions of FR 22(I)(a)(1). In 6th CPC context, the first part of FR 22(I)(a)(1) was replaced by Rule 13 of CCS (RP) Rules, 2008. Similarly, consequent upon implementation of CCS (RP) Rules, 2016 in 7th CPC context, the pay fixation on promotion is regulated by the provisions of Rule 13 of CCS (RP) Rules, 2016. This rule regulates pay fixation on promotion if the same is opted by the employee from the date of promotion itself. The issue of relevancy of provisions of FR 22(I)(a)(1) as well as the methodology of fixation of pay on promotion to a post carrying duties and responsibilities of greater importance, of a Government Servant in case he opts for pay fixation from the Date of Next Increment (DNI) has been considered in this Department.

2. In this context, proviso under FR 22(I)(a)(1) *inter-alia* provides that the Government Servant (other than those appointed on deputation basis to ex-cadre post or on ad-hoc basis or on direct recruitment basis) shall have the option, to be exercised within one month from the date of promotion, to have the pay fixed under this rule from the date of such promotion or to have the pay fixed from the date of accrual of next increment in the scale of the pay in lower grade.

3. After due consideration in this matter, the President is pleased to decide as follows:

(i) FR 22(I)(a)(1) holds good with regard to availability of option clause for pay fixation, to a Government Servant holding a post, other than a tenure post, in a substantive or temporary or officiating capacity, who is promoted or appointed in a substantive, temporary or officiating capacity, as the case may be, subject to the fulfilment of the eligibility conditions as prescribed in the relevant Recruitment Rules, to another post carrying duties or responsibilities of greater importance than those attaching to the post held by him/her. Such Government Servant may opt to have his/her pay fixed from the Date of his/her Next Increment (either 1st July or 1st January, as the case may be) accruing in the Level of the post from which he/she is promoted, except in cases of appointment on deputation basis to an ex-cadre post or on direct recruitment basis or appointment/promotion on ad-hoc basis.

...../-

(ii) In case, consequent upon his/her promotion, the Government Servant opts to have his/her pay fixed from the date of his/her next increment (either 1st July or 1st January, as the case may be) in the Level of the post from which Government Servant is promoted, then, from the date of promotion till his/her DNI, the Government Servant shall be placed at the next higher cell in the level of the post to which he/she is promoted.

(iv) In such cases where Government Servant opts to have his/her pay fixed from the date of his/her next increment in the Level of the post from which he/she is promoted, the next increment as well as Date of Next Increment (DNI) will be regulated accordingly.

4. It is further reiterated that in order to enable the officials to exercise the option within the time limit prescribed, the option clause for pay fixation on promotion with effect from date of promotion/DNI shall invariably be incorporated in the promotion/appointment order so that there are no cases of delay in exercising the options due to administrative lapse.

5. In so far as their application to the employees belonging to the Indian Audit and Accounts Department is concerned, these orders issue in consultation with the Comptroller & Auditor General of India.

No. 1/4/2017-Estt.(Pay-I)
Ministry of Personnel, Public Grievances & Pensions
(Department of Personnel & Training)

North Block, New Delhi
Dated the 28th February, 2019

OFFICE MEMORANDUM

Subject:- Restriction of officiating pay under FR 35 in the context of CCS(Revised Pay) Rules, 2016-regarding

The undersigned is directed to state that in terms of the provisions contained in Fundamental Rule 35 (FR 35), the Central Government may fix the pay of an officiating Government servant at an amount less than admissible under the Fundamental Rules. Accordingly, orders have been issued from time to time indicating the circumstances and the extent to which provisions of FR 35 would apply. In this row, this Department vide OM No.1/4/2009-Estt(Pay-I) dated 08.03.2010 laid down the ceilings for restriction of basic pay under FR 35 in running pay bands and grade pay system in the 6th CPC scenario.

2. The question of revising these ceilings after implementation of CCS (RP) Rules, 2016 has been considered by the Government and the President is pleased to decide that the pay under FR 35 shall be restricted in a manner so that the increase in the basic pay of the post held by the Government Servant prior to the officiating appointment shall not exceed 12.5% subject to a maximum of Rs. 6700 per month. Any increase in excess of 12.5% of the basic pay with a further ceiling of Rs. 6700 per month shall be treated as substantial increase for the purposes of FR 35.

3. In case of appointment on promotion in the normal line within the cadre but which are not on regular basis, initially the pay may also be fixed under relevant rules. After such fixation of pay, if it is found that there is no substantial increase in the pay so fixed as defined in para 2 above, the restriction under FR 35 will not be applied as shown in ***Illustration 1***. However, after such fixation of pay, if it is found that there is substantial increase in the pay so fixed, the restriction as mentioned in para 2 above will be applied. In that case, after restriction of basic pay if there is no such Cell equal to the amount so arrived after restriction is available in the Level of Pay Matrix of the officiating post, the officer shall be placed at the next higher Cell in that Level even if the limit for restriction mentioned in para 2 above is breached, as shown in ***Illustration 2***. The Government servant will earn his annual increment on the basic pay so fixed after imposition of restrictions under FR 35.

4. However, in the cases where the pay of the officer after imposition of the restrictions in the manner indicated above is fixed at less than the value of the first Cell of the Level of the officiating post, in that case, his pay will be fixed in the Level of post held by him before such officiating appointment. If no such Cell equal to the amount so arrived after restriction is available in the Level of post held by him before such officiating

appointment, the officer shall be placed at the next higher Cell in that Level even if the limit for restriction mentioned in para 2 above is breached and he will draw his annual increment(s) in that Level of the lower post till he reaches the minimum of the Level of the officiating post. After one year of reaching/surpassing the minimum of the Level of the officiating post, the officer will become entitled to increment in the Level of the officiating post and his pay will be fixed in Cell 2 of the Level of the Level of the pay matrix of the officiating post as shown in ***Illustration 3.***

5. In cases of appointments on promotion in the normal line within the cadre but which are not on regular basis, the pay shall be restricted under FR 35 in the manner given above. However, restriction of officiating pay under FR 35 will not be invoked in respect of regular cadre promotion where the employee who becomes due for promotion falls within the zone of consideration and fulfils all the conditions of eligibility prescribed in the Recruitment Rules for promotion.

6. The new rates will be applicable with effect from the date an employee draws pay in the revised scale of pay applicable in accordance with Central Civil Services (Revised Pay) Rules, 2016.

7. In so far as the persons serving in the Indian Audit and Accounts Department are concerned, these orders issue in consultation with the office of the Comptroller and Auditor General of India.

8. Hindi version will follow.

Annexure to No. 1/4/2017-Estt.(Pay-I) dated the 28th February, 2019

Illustration 1

An officer was drawing pay of Rs.78500 in Cell 6 of Level 11 before his appointment to officiate in Level 12 carrying duties and responsibilities of greater importance than those attaching to the post held by him before such appointment.

On the date of his officiating appointment, he may be granted one increment (Cell 7 in Level 11-Rs.80900) and thereafter, he is to be placed at a cell equal to the figure so arrived (Rs.80900) in the Level 12. Since no such cell equal to Rs. 80900 is available in Level 12, he shall be placed at the next higher cell in that Level [Cell 2 of Level 12- Rs.81200/-].

After such fixation since there is only an increase of amount of Rs.2700 (Rs. 81200-78500) which is less than 12.5% of the basic pay (Rs.78500) of the post held earlier by the officer before such officiating appointment and further limit of Rs.6700/-, there is no substantial increase in the pay so fixed. The restrictions under FR 35 will, therefore, not apply in this case and his pay will be fixed at Rs.81200/- (Cell 2 in Level 12).

Illustration 2

An officer was drawing pay of Rs.175500 in Cell 13 of Level 13 before his appointment to officiate in Level 14 carrying duties and responsibilities of greater importance than those attaching to the post held by him before such appointment. In this case, his pay is to be fixed in the following manner under FR 35:-

On the date of his officiating appointment, he may be granted one increment (Cell 14 of Level 13- Rs.180800) in the Level (Level 13) of the post held by him before officiating appointment. Since no cell equal to 180800 is available in Level 14 he shall be placed at the next higher cell in that Level (Rs.182700- Cell 9 of Level 14). By such fixation of pay, the increase in pay comes to Rs. 7200 (Rs. 182700-175500). Amount of /Increase of Rs.7200 is more than increase of Rs.6700/- permissible under FR 35 and as such this increase shall be treated as substantial increase for the purpose of restriction under FR 35. Thus, his pay is to be fixed at Rs. 182200(175500+6700). However, as no such cell equivalent to the value of Rs. 182200 is available in Level 14, his pay is to be fixed at next Cell in Level 14, i.e. Rs.182700 (Cell 9 in Level 14) breaching the limit of Rs.6700.

Illustration 3

An officer was drawing pay of Rs.36500 in Cell 2 of Level 6 before his appointment to officiate in Level 7 carrying duties and responsibilities of greater importance than those attaching to the post held by him before such appointment. In this case, his basic pay is to be fixed in the following manner under FR 35:-

On the date of his officiating appointment, he may be granted one increment (Cell 3 of Level 6 Rs.37600) in the Level (Level 6) of the post held by him before officiating appointment. However, no cell equal to amount of Rs. 37600 is available in Level 7 as minimum Cell value in Level 7 is Rs.44900 (Cell 1 of Level 7). If his pay is fixed at Rs.44900 (Cell 1 of Level 7), the increase in pay comes to Rs. 8400 (Rs.44900-36500) which is more than increase of Rs.4562.5/- (12.5% of 36500) limit prescribed under this OM. As such this increase shall be treated as substantial increase for the purpose of restriction under FR 35. His basic pay is thus to be fixed at Rs.41062.5 (36500+4562.5) in the Level of the post held by him before such officiating appointment i.e. Level 6. Since no such Cell equal to the amount of Rs.41062.5 is available in Level 6, his pay is to be fixed at next Cell in that Level, i.e. Rs.41100 (Cell 6 in Level 6) breaching the limit of 12.5%.

Sir,

विषय/Subject: Information under the RTI Act, 2005 – reg.

.....

Please refer to your online RTI application bearing registration No .PSCV/R/X/21/00003 dated 31.08.2021, received on transfer from ISRO Headquarters, seeking information under the RTI Act, 2005. The information sought for by the applicant obtained from the custodian of records at LPSC is disseminated as below:

Query No.	Information sought for	Reply/Comments
01	What is the minimum salary of a contract worker working as a Technical Asst. in a Govt or Central Govt. sector having the qualification of Diploma in Mechanical Engineering or Automobile Engineering and 2 years of experience?	As per Office Order of DOS, the outsourcing activities of LPSC are being issued / awarded to Service providers on service package mode/system wherein specific work is quantified and outsourced to service providers. Therefore, the minimum salary of the Contract works engaged are not mentioning in the contract. However, contracts where work force of minimum wage category is to be engaged as per the minimum wages act, the same shall be ensured by the service providers while submitting tenders for necessary compliance of rules. There also, the contract is being awarded based on quantity/ units and not on wage/salary of the work force engaged.
02	What is the minimum salary of a contract worker working as a Technician in a State Government or Central Government sector having the qualification of ITI in Diesel Mechanic or Motor Mechanic and have 2 year experience.	
03	What is the minimum salary of a contract worker working as Technician in a state govt. or central govt sector having the qualification of sheet metal or fitter and have 2 years experience.	
04	What is the minimum salary of a contract worker working as a helper category in a state govt or central govt. sector having the qualification SSLC or equivalent and have 2 year experience.	

05	What is the minimum salary of a contract worker working as a tyre works of vehicle in a state government or central government sector having the qualification of SSLC and have 2 year experience.	
06	Is there any rule to decrease the current salary ESI and PF and other extra allowance	
07	Is there any increment in new tender	
08	Is there any welfare for contract workers working in government or central govt sector	
09	Is there any external audit will conduct in central government sector (ISRO-LPSC, VSSC)	Yes, external audit by Resident Audit Team of CGA will conduct audit in Central Govt section.

विषय/Subject: Information under the RTI Act, 2005 – reg.

.....

This has reference to the online RTI application bearing registration No LPSCV/R/T/21/00103 dated 02.09.2021 seeking information under the RTI Act, 2005.

The applicant sought year wise data of Technicians who acquire additional qualification of B Sc. or Diploma while in service and eligible for Special Review for the post of Scientific and Technical Assistant from January 2010 to June 2021 with mode of study, pertaining to Valiamala and Bengaluru. Since the data is not readily available in the form sought and scattered in different volumes, which would disproportionately divert the resources of the public authority, the applicant can come and inspect the documents at Valiamala and Bengaluru at a mutually agreeable date and time.
