Programmes to advance understanding of RTI.

According to Section 26 (1)(a) of the Act, *“the appropriate Government may, to the extent of availability of financial and other resources, - develop and organise educational programmes to advance the understanding of the public, in particular of disadvantaged communities as to how to exercise the rights contemplated under this Act.”*

In order to advance the understanding of RTI, LPSC had conducted a half-day session programme on 29.04.2025 to the contract workers working in Gardening and House Keeping contracts and Gang Labourers in LPSC, Valiamala. Central Public Information Officer (CPIO), LPSC conducted the class in Regional language for the benefit of disadvantaged categories of contract workers in this Institution.

As part of National Learning Week- Sadhana Saptah 2026 - a talk on ‘Familiarisation on RTI’ was conducted on 07.04.2026 by CPIO, LPSC.
