OFFICE MEMORANDUM

Sub: Amendment in the CCS (Leave) Rules, 1972 consequent upon the implementation of the recommendations of 7th CPC.

The undersigned is directed to say that the Government has accepted the recommendations of the 7th CPC and implemented the same vide Notification dated 11.12.2018. This Notification has been uploaded in the Department's website also at the address. However, despite issue of the notification in this regard, some employees have been seeking formal and informal clarifications with regard to the amendments carried through the above Notification. Keeping this in view, following clarifications specifying the amendments carried out in the CCS (Leave) Rules, 1972 vide the above said Notification are issued:

- I. The amendments made in the CCS (Leave) Rules, 1972 vide Notification dated 11.12.2018, have come into force w.c.f. 14.12.2018 when the Notification was published in the official gazette.
- II. Government servants serving in a Vacation Department have been allowed Earned Leave in place of Half Pay Leave by amending Rule 28 and Rule 29.
- III. With the amendment of Rule 43-C relating to Child Care Leave (CCL), following changes have been made:-
 - (a) CCL may be granted at 100% of the leave salary for the first 365 days and 80% of the leave salary for the next 365 days.
 - (b) CCL may be extended to single male parents who may include unmarried or widower or divorcee employees.
 - (c) For single female Government servants, the CCL may be granted for six spells in a calendar year. However, for other eligible Government servants, it will continue to be granted for a maximum of 3 spells in a calendar year.
- IV. "Special Disability Leave for injury intentionally inflicted" under Rule 44 has been substituted by a new Leave named "Work Related Illness and Injury Leave (WRIIL)" which may be granted to a Government servant (whether permanent or temporary), who suffers illness or injury that is attributable to or aggravated in the performance of her or his official duties or in consequence of her or his official position. With the introduction of WRIIL, "Special Disability Leave for accidental injury" (under Rule 45) and Hospital Leave (under Rule 46) have been deleted. WRIIL has following provisions:-
 - (a) Full pay and allowances will be granted to all employees during the entire period of hospitalization on account of WRIIL.

(b) Beyond hospitalization, WRIIL will be governed as follows:

- (i) Government servants (other than military officers) will be paid full pay and allowances for the 6 months immediately following hospitalization and Half Pay only for 12 months beyond that period. The Half Pay period may be commuted to full pay with corresponding number of days of HPL debited from the employee's leave account.

विषय/Subject Forwarding of applications to outside employment during the Probation Period - Instructions - reg

ISRO HQ vide OM No HQ ADMN 4 20(1) dated 04.10.1975 prescribed guidelines for forwarding of applications for outside employment.

2. ISRO HQ sought clarifications on forwarding of applications during the period of probation of employees in the context of DoPT OM No. 28011/1/2013 -Estt (C), dated 23.12.2013 duly endorsed by DOS vide Endorsement No. A 120780/2013 dated 13.01.2014, which inter-alia prescribes that the applications from temporary government servants should be readily forwarded unless there are compelling grounds of public interest for withholding them.

3. The matter has been examined in the Department. Ever since Governmentalization of Department of Space during April 1975, the manpower sanctioned to DOS/ISRO has increased marginally though organization witnessed tremendous growth. Further, DOS/ISRO functions on a time bound program and any short fall in the minimum manpower will adversely affect the functioning of DOS/ISRO Centres/Units. Under the circumstances, it has been decided to continue the existing guidelines and applications to agencies outside DOS/ISRO during the period of probation of employees shall be avoided. Excepting the above, there is no change in the other guidelines / instructions issued by ISRO HQ/DOS from time to time on the subject.

4. This issues with approval of the Competent Authority.

Bangalore 560 009

No.HQ:ADMN:4.2D(2)

September 4, 1987

OFFICE MEMORANDUM

Sub: Procedure for filling up of the posts of Office Clerk-A (10% quota) reserved for considering eligible Group-D personnel.

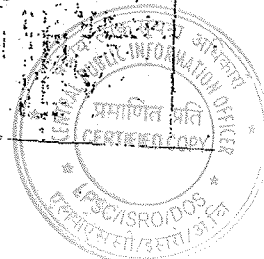

In order to provide career growth to the Group-D employees of Admn areas, the 10% of the posts of Office Clerk-A are reserved for them, vide HQ OM of even numbers dated October 19, 1981 and May 14, 1982, subject to following the procedure stipulated therein. In the 10th meeting of the Departmental Council of the JCM, the Staff Side raised the general issue of providing more avenues for the advancement of the Group-D personnel. While doing so, a point was also brought out by the Staff Side that such of those Group-D employees who have passed the written and skill test with the prescribed qualifying marks/speed levels may be promoted as Office Clerk-A against the 10% quota based only on seniority. Chairman, ISRO had agreed to consider the matter.

2. Appointment to the post of Office Clerk-A is by selection which consists of three elements viz (a) written test (b) skill test in typewriting and (c) interview. Further, in respect of internal candidates belonging to Group-D category, their ACRs are also assessed. Since OCA is the only induction level at present for clerical posts, it is necessary to assess the growth potential of the candidates so appointed which is generally done in the interview. However, in view of the fact that such of those Group-D personnel who aspire to become OGAs against the 10% quota will have some knowledge of the Organisation, in order to provide due weightage for their service, it has been decided that the following shall be the procedure for appointment against 10% quota of posts of Office Clerk-A.

(a) Minimum years of service required for consideration:

A minimum of 3 years service in ISRO/DOS is required for becoming eligible to take up the tests (written as well as skill) for consideration for appointment to the post of Office Clerk-A against

...2.

10% quota. The service will be reckoned on the crucial dates for review viz. 1st January, 1st May and 1st September with two months relaxation as contained in para 3 & 4 of the OM No. HO:ADM:4.20(2) dated February 4, 1982.

(b) Selection procedure:

Those who secure 50% marks in the written test in English and General Knowledge will be declared as qualified to take the skill test. They will then have to qualify in English typewriting at 30 words per minute initially.

(c) Preparation of the Panel:

Persons who qualify in the written test and skill test as indicated above will be eligible for consideration for empanelment. There will be no interview. Their ACRs will be reviewed by the DPC and subject to elimination of unfit, the list of the suitable candidates will be drawn indicating the marks obtained by them in the written test. To this, for the service rendered in Group-D category in ISRO/DOS over and above 3 years (which is the minimum required for consideration), the following marks will be added:

For every completed full year : 2 marks
For every completed half year : 1 mark
Less than six months : Ignored

The marks awarded for the service rendered over and above three years will be added to the marks obtained in the written test and selection list drawn based on the total marks (i.e. written test + marks awarded for service). If two or more persons get the same marks, person who joined service earlier will be ranked higher.

3.1 The above shall be the procedure to draw up panels for the post of OC-A against 10% quota hereafter. The existing panels, if any, will be valid upto its present term of validity. For making fresh panels, a month's notice will be given to the eligible candidates, so as to enable them to prepare for the written/skill tests.

3.2 Persons appointed to the post of OC-A with 30 wpm in English Typewriting should acquire the speed of 40 wpm within a period of one year from the date of that appointment failing which they will be reverted to the original post without any further notice.

4. Hindi version will follow.

OFFICE MEMORANDUM

Sub: Procedure for filling up of the posts of Office Clerk-A (10% quota) reserved for considering eligible Group-D personnel.

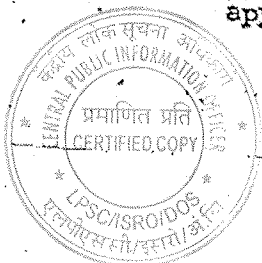

In order to provide career growth to the Group-D employees of Adm area in the 10% of the posts of Office Clerk-A are reserved for them, vide HO OM of even numbers dated October 19, 1981 and May 24, 1982, subject to following the procedure stipulated therein. In the 10th meeting of the Departmental Council of the JCM, the Staff Side raised the general issue of providing more avenues for the advancement of the Group-D personnel. While doing so, a point was also brought out by the Staff Side that such of those Group-D employees who have passed the written and skill test with the prescribed qualifying marks/speed levels may be promoted as Office Clerk-A against the 10% quota based only on seniority. Chairman, ISRO had agreed to consider the matter.

2. Appointment to the post of Office Clerk-A is by selection which consists of three elements viz (a) written test (b) skill test in typewriting and (c) interview. Further, in respect of internal candidates belonging to Group-D category, their ACRS are also assessed. Since OCA is the only induction level at present for clerical posts, it is necessary to assess the growth potential of the candidates so appointed which is generally done in the interview. However, in view of the fact that such of those Group-D personnel who aspire to become OCAs against the 10% quota will have some knowledge of the Organisation, in order to provide due weightage for their service, it has been decided that the following shall be the procedure for appointment against 10% quota of posts of Office Clerk-A.

(a) Minimum years of service required for consideration:

A minimum of 3 years service in ISRO/DOS is required for becoming eligible to take up the tests (written as well as skill) for consideration for appointment to the post of Office Clerk-A against

...2.

10% quota. The service will be reckoned on the crucial dates for review viz. 1st January, 1st May and 1st September with two months relaxation as contained in para 3 & 4 of the OM No. HD:ADN:4.20(2) dated February 4, 1982.

(b) Selection procedure:

Those who secure 50% marks in the written test in English and General Knowledge will be declared as qualified to take the skill test. They will then have to qualify in English typewriting at 30 words per minute initially.

(c) Preparation of the Panel:

Persons who qualify in the written test and skill test as indicated above will be eligible for consideration for empanelment. There will be no interview. Their ACRs will be reviewed by the DPC and subject to elimination of unfit, the list of the suitable candidates will be drawn indicating the marks obtained by them in the written test. To this, for the service rendered in Group-D category in ISRO/DOS over and above 3 years (which is the minimum required for consideration), the following marks will be added:

For every completed full year : 2 marks
For every completed half year : 1 mark
Less than six months : Ignored

The marks awarded for the service rendered over and above three years will be added to the marks obtained in the written test and selection list drawn based on the total marks (i.e. written test + marks awarded for service). If two or more persons get the same marks, person who joined service earlier will be ranked higher.

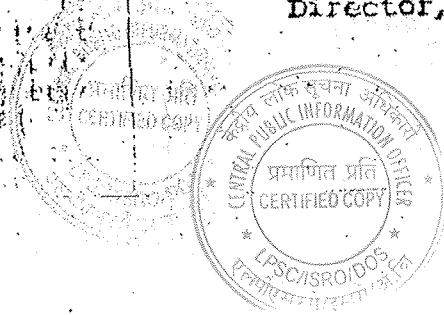

3.1 The above shall be the procedure to draw up panels for the post of OC-A against 10% quota hereafter. The existing panels, if any, will be valid upto its present term of validity. For making fresh panels, a month's notice will be given to the eligible candidates, so as to enable them to prepare for the written/skill tests.

3.2 Persons appointed to the post of OC-A with 30 wpm in English Typewriting should acquire the speed of 40 wpm within a period of one year from the date of that appointment failing which they will be reverted to the original post without any further notice.

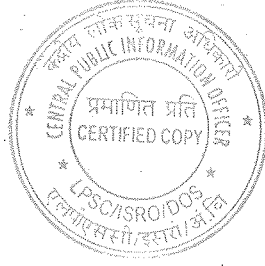

4. Hindi version will follow.

विषय/Subject: Information under the RTI Act, 2005 – reg.

Please refer to your online RTI application bearing registration No. LPSCV/R/E/25/00070 dated 28.08.2025 seeking information under the provisions of the RTI Act, 2005. The information sought for by the applicant, obtained from the custodian of records is given below:

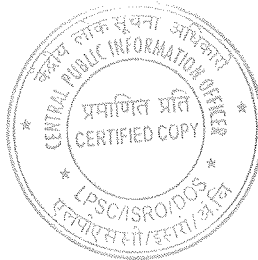

| Query No. | Information sought for | Reply/Comments |
|-----------|--|---|
| | Regarding the validity and applicability of OBC certificates based on present address versus permanent address | |
| 01 | Is an OBC certificate valid for availing reservation benefits if it is issued based on the applicant's present address, or must it be based on the permanent address | |
| 02 | If the applicant and their family reside at the present address and have a ration card registered at the same address, is an OBC certificate issued based on the present address considered valid for reservation purposes | |
| 03 | In many states, OBC certificates are issued based on the present address. i. If such a certificate is not accepted for reservation, please specify the rules, laws, or constitutional provisions under which it is rejected. Cite relevant documents or official guidelines. ii. If a certificate issued by the state government based on present address is not considered valid, what is the purpose of issuing such certificates, especially considering that many citizens migrate for employment, education, or other reasons | It is not coming under the definition of information under Section 2(f) of RTI Act. Moreover, LPSC is not the custodian of information. |

| | | |
|----|--|--|
| 04 | If the applicant has been living at the present address for more than 10 years (on rent) and has an owned house at the permanent address, but the state government issues the OBC certificate only for the present address, is this certificate valid for claiming reservation in ISRO | The OBC Non-Creamy Layer Certificate for appointment to posts under Government of India issued by the Competent Authority is acceptable to ISRO. There is no separate format of OBC Non-Creamy Layer for ISRO. |
| 05 | What are the accepted documents to prove: a. Present address of the candidate and their family b. Permanent address of the candidate and their family | |
| 06 | Is the last 3 years' Income Certificate required to claim the OBC-NCL (Non-Creamy layer) reservation | Details sought are not coming under the definition of information under section 2(f) of RTI Act. Moreover, LPSC is not the custodian of information. |
| 07 | If a candidate belongs to OBC-NCL at the time of application, but their status changes to Creamy Layer after selection due to change in parental income, will the reservation still be applicable based on the certificate submitted at the time of application | |
