As per the roster for the purpose of recruitment at the level of Jr. Stenographer, it is noted that, we have already 4 OBCs and 3 SCs in this Cadre. Even if we take the strength of the post as 25, as per the post based roster, 6 posts will go for OBC and 2 for SC. In case we take the strength as 13, the representation of OBC and SC will be 3 and 1 respectively. Since we have enough representation of OBCs and SCs in the cadre of Jr. Stenographer now available, the two posts now cleared for recruitment will have to be filled up under Un-reserved quota. While notifying the vacancies, we will specify accordingly.

The posting of 2 Jr. Stenographers posts now cleared for recruitment is to be decided.

The proposal for recruitment of Office Clerk B is being furnished separately.

After restructuring of the Cadre of Stenographic Staff vide DOS OM dated 16/06/2003, LPSC has got only 25 posts of Jr. Stenographer out of the total 64 stenographic posts. With the sanction of 12 posts of Project Stenographic Assistant vide DOS OM dated 12/01/2004, the sanctioned strength of Jr. Stenographer will go down to 13 on account of promotion of 12 Jr. Stenographers to the resultant vacancies of Personal Assistant 'A'. Thus the strength of Jr. Stenographer will be 13 persons in position and 12 vacancies. In this connection, it may please be noted that the review for promotion of Jr. Stenographers to the post of PA 'A' is under process.

There occurred vacancies at the level of Jr. Stenographer in LPSC, Valiamala on account of retirement, transfer on promotion, death etc of the persons in higher positions working in Valiamala. Currently, there are 5 such vacancies, out of which DOS has now cleared 2 posts for recruitment. It is, therefore, suggested that we may operate these two posts in LPSC, Valiamala and take recruitment action accordingly.

As per the roster for the purpose of recruitment at the level of Jr. Stenographer, it is noted that, we have already 4 OBCs and 3 SCs in this Cadre. Even if we take the strength of the post as 25, as per the post based roster, 6 posts will go for OBC and 2 for SC. In case we take the strength as 13, the representation of OBC and SC will be 3 and 1 respectively. Since we have enough representation of OBCs and SCs in the cadre of Jr. Stenographer now available, the two posts now cleared for recruitment will have to be filled up under Un-reserved quota. While notifying the vacancies, we will specify accordingly.

Director may kindly approve the operation of the above 2 posts at LPSC, Valiamala as above.

Sir,

Sub : Recommendations of Work Study Group – Release of  
S&T vacancies.

\*\*\*\*\*

The Work Study Group (WSG) reviewed the manpower requirements of LPSC for the 10<sup>th</sup> Five year Plan and has recommended recruitment of a total of 203 vacancies of Engineers and Tradesman/Technical Assistant (TM/TA) [against 325 vacancies of Engineers and TM/TA – existing plus anticipated due to superannuation upto March 31, 2007] as follows:

Total Vacancies (Existing + Superann. upto Mar 2007)			Recruitment Proposed by Centres upto Mar 2007			Recommended by WSG upto Mar 2007		
Eng	TM/TA/SA	Total	Eng	TM/TA/SA	Total	Eng	TM/TA/SA	Total
141	174	325	145	58	203	145	58	203

2. These recommendations were reviewed by Chairman, ISRO/Secretary, DOS and recruitment of 203 Engineers and TM/TA has been approved. However, in view of the shortfall of four (4) vacancies of Engineers at LPSC (against 141 vacancies, 145 proposed for recruitment) only 199 vacancies are released for the time being for recruitment with the following year-wise distribution:

	2003-04 & 2004-05	2005-06	2006-07	Total
Eng	91	28	22	141
TM/TA/SA	45	10	03	58
Total	136	38	25	199

3. Regarding the release of remaining four (4) vacancies of Engineers, separate communication will follow.

4. Year-wise phasing of the recruitment may be regulated by the Centre Directors using the above figures in para-2 as a guideline and the manpower deployment may be done as dictated by the requirements of the projects/programmes from time to time.

Yours faithfully,

Query No.	Information sought for	Reply/Comments
Information related to Advt. No.LPSC/01/2023 dtd 13.05.2023 Post Code-753, Post Name- Tech. Asst. (Mechanical)		
01	Why the OBC two selected candidates' names Rasmiranjan Mohakhud (75301657) and Mohan Ram (75301145) not given in Unreserved Waiting list?	As per the advertisement, two vacancies are reserved for OBC category and the two candidates empanelled in the OBC merit list will be appointed subject to Character and Antecedents verification. Moreover, only the advertised vacancies will be filled from this panel. Wait list will not be utilized to fill future vacancies. Hence, including the same candidates in OBC Merit list and UR Waitlist will not make any difference for them.
02	If Unreserved selected candidates not join/resign, the above two names moved to Unreserved panel or Not? (Because this two candidates get more marks than UR waitlist candidates marks)	Both UR and OBC panels will be operated concurrently. There is no adjustment between the candidates in the UR and OBC panels in the event of non-joining of candidates in the merit list.
03	For the above case except LPSC all ISRO centers given weighting list rank in both UR and OBC, why LPSC only following different procedure?	The information sought is in the form of questioning the public authority, hence cannot come under Section 2(f) of RTI Act, 2005
04	How many candidates not joined till 19.06.2024?	Character and Antecedents verification is under process and hence Offer of Appointment for the post of Technical Assistant has not been issued.
05	List the names and roll numbers of reporting/joining candidates till 19.06.2024.

**MINISTRY OF FINANCE**  
(Department of Expenditure)

**NOTIFICATION**

New Delhi, the 29th August, 2008

G.S.R. 622 (E).— In exercise of the powers conferred by the proviso to article 309, and clause (5) of article 148 of the Constitution and after consultation with the Comptroller and Auditor General in relation to persons serving in the Indian Audit and Accounts Department, the President hereby makes the following rules, namely :—

1. *Short title and commencement*—

- (1) These rules may be called the Central Civil Services (Revised Pay) Rules, 2008.
- (2) They shall be deemed to have come into force on the 1<sup>st</sup> day of January, 2006.

2. *Categories of Government servants to whom the rules apply*—

- (1) Save as otherwise provided by or under these rules, these rules shall apply to persons appointed to civil services and posts in connection with the affairs of the Union whose pay is debitable to the Civil Estimates as also to persons serving in the Indian Audit and Accounts Department.
- (2) These rules shall not apply to :—
  - (i) persons appointed to the Central Civil Services and posts in Groups 'A', 'B', 'C' and 'D' under the administrative control of the Administrator of the Union Territory of Chandigarh;
  - (ii) persons locally recruited for service in Diplomatic, Consular or other Indian establishments in foreign countries;
  - (iii) persons not in whole-time employment;
  - (iv) persons paid out of contingencies;
  - (v) persons paid otherwise than on a monthly basis including those paid only on a piece-rate basis;
  - (vi) persons employed on contract except where the contract provides otherwise;
  - (vii) persons re-employed in Government service after retirement;

- (viii) any other class or category of persons whom the President may, by order, specifically exclude from the operation of all or any of the provisions contained in these rules.

3. **Definitions** - In these rules, unless the context otherwise requires -

- (1) "existing basic pay" means pay drawn in the prescribed existing scale of pay, including stagnation increment(s), but does not include any other type of pay like 'special pay', etc.
- (2) "existing scale" in relation to a Government servant means the present scale applicable to the post held by the Government servant (or, as the case may be, personal scale applicable to him) as on the 1<sup>st</sup> day of January, 2006 whether in a substantive or officiating capacity.

**Explanation-** In the case of a Government servant, who was on the 1<sup>st</sup> day of January, 2006 on deputation out of India or on leave or on foreign service, or who would have on that date officiated in one or more lower posts but for his officiating in a higher post, "existing scale" includes the scale applicable to the post which he would have held but for his being on deputation out of India or on leave or on foreign service or, as the case may be, but for his officiating in a higher post;

- (3) "existing emoluments" mean the sum of (i) existing basic pay, (ii) dearness pay appropriate to the basic pay and (iii) dearness allowance appropriate to the basic pay + dearness pay at index average 536 (1982=100).
- (4) "present scale" in relation to any post/grade specified in column 2 of the First Schedule means the scale of pay specified against that post in column 3 thereof;
- (5) "pay in the pay band" means pay drawn in the running pay bands specified in Column 5 of the First Schedule.
- (6) "grade pay" is the fixed amount corresponding to the pre-revised pay scales/posts.
- (7) "revised pay structure" in relation to any post specified in column 2 of the First Schedule means the pay band and grade pay specified against that post or the pay scale specified in column 5 & 6 thereof, unless a different revised pay band and grade pay or pay scale is notified separately for that post.
- (8) "basic pay" in the revised pay structure means the pay drawn in the prescribed pay band plus the applicable grade pay but does not include any other type of pay like special pay, etc.

In the case of Government servants in the pay scales of HAG+, apex scale and the Cabinet Secretary's scale, basic pay means the pay in the prescribed scale.

(9) "revised emoluments" means the pay in the pay band plus the grade pay of a Government servant in the revised pay structure or the basic pay in HAG+ & above and includes the revised non-practising allowance, if any, admissible to him, in addition.

(10) "Schedule" means a schedule annexed to these rules.

4. **Scale of pay of posts** - The pay band and grade pay or the pay scale, as applicable, of every post/grade specified in column 2 of the First Schedule shall be as specified against it in column 5 & 6 thereof.

5. **Drawal of pay in the revised pay structure** - Save as otherwise provided in these rules, a Government servant shall draw pay in the revised pay structure applicable to the post to which he is appointed;

Provided that a Government servant may elect to continue to draw pay in the existing scale until the date on which he earns his next or any subsequent increment in the existing scale or until he vacates his post or ceases to draw pay in that scale.

Provided further that in cases where a Government servant has been placed in a higher pay scale between 1.1.2006 and the date of notification of these Rules on account of promotion, upgradation of pay scale etc., the Government servant may elect to switch over to the revised pay structure from the date of such promotion, upgradation, etc.

**Explanation 1** - The option to retain the existing scale under the provisos to this rule shall be admissible only in respect of one existing scale.

**Explanation 2** - The aforesaid option shall not be admissible to any person appointed to a post on or after the 1<sup>st</sup> day of January, 2006, whether for the first time in Government service or by transfer from another post and he shall be allowed pay only in the revised pay structure.

**Explanation 3** - Where a Government servant exercises the option under the provisos to this rule to retain the existing scale in respect of a post held by him in an officiating capacity on a regular basis for the purpose of regulation of pay in that scale under Fundamental Rule 22, or any other rule or order applicable to that post, his substantive pay shall be substantive pay which he would have drawn had he retained the existing scale in respect of the permanent post on which he holds a lien or would have held a lien had his lien not been suspended or the pay of the officiating post which has acquired the character of substantive pay in accordance with any order for the time being in force, whichever is higher.

6. **Exercise of Option** -

(1) The option under the provisos to Rule 5 shall be exercised in writing in the form appended to the Second Schedule so as to reach the authority mentioned in sub rule (2) within three months of the date of publication of these rules or where an existing scale has been revised by any order

made subsequent to that date, within three months of the date of such order.

Provided that -

- (i) in the case of a Government servant who is, on the date of such publication or, as the case may be, date of such order, out of India on leave or deputation or foreign service or active service, the said option shall be exercised in writing so as to reach the said authority within three months of the date of his taking charge of his post in India; and
  - (ii) where a Government servant is under suspension on the 1<sup>st</sup> day of January, 2006, the option may be exercised within three months of the date of his return to his duty if that date is later than the date prescribed in this sub-rule.
- (2) The option shall be intimated by the Government servant to the Head of his Office.
  - (3) If the intimation regarding option is not received within the time mentioned in sub-rule (1), the Government servant shall be deemed to have elected to be governed by the revised pay structure with effect on and from the 1<sup>st</sup> day of January, 2006.
  - (4) The option once exercised shall be final.

**Note 1 -** Persons whose services were terminated on or after the 1<sup>st</sup> January, 2006 and who could not exercise the option within the prescribed time limit, on account of discharge on the expiry of the sanctioned posts, resignation, dismissal or discharge or disciplinary grounds, are entitled to the benefits of this rule.

**Note 2 -** Persons who have died on or after the 1<sup>st</sup> day of January, 2006 and could not exercise the option within the prescribed time limit are deemed to have opted for the revised pay structure on and from the 1<sup>st</sup> day of January, 2006 or such later date as is most beneficial to their dependents, if the revised pay structure is more favourable and in such cases, necessary action for payment of arrears should be taken by the Head of Office.

**Note 3 -** Persons who were on earned leave or any other leave on 1.1.2006 which entitled them to leave salary will be allowed the benefits of this rule.

7. **Fixation of initial pay in the revised pay structure:**

- (1) The initial pay of a Government servant who elects, or is deemed to have elected under sub-rule (3) of rule 6 to be governed by the revised pay structure on and from the 1<sup>st</sup> day of January, 2006, shall, unless in any case the President by special order otherwise directs, be fixed separately in respect of his substantive pay in the permanent post on which he holds a lien or would have held a lien if it had not been suspended, and in respect

of his pay in the officiating post held by him, in the following manner, namely :-

(A) in the case of all employees:-

- (i) the pay in the pay band/pay scale will be determined by multiplying the existing basic pay as on 1.1.2006 by a factor of 1.86 and rounding off the resultant figure to the next multiple of 10.
- (ii) if the minimum of the revised pay band/ pay scale is more than the amount arrived at as per (i) above, the pay shall be fixed at the minimum of the revised pay band/ pay scale;

Provided further that:-

Where, in the fixation of pay, the pay of Government servants drawing pay at two or more consecutive stages in an existing scale gets bunched, that is to say, gets fixed in the revised pay structure at the same stage in the pay band, then, for every two stages so bunched, benefit of one increment shall be given so as to avoid bunching of more than two stages in the revised running pay bands. For this purpose, the increment will be calculated on the pay in the pay band. Grade pay would not be taken into account for the purpose of granting increments to alleviate bunching.

In the case of pay scales in higher administrative grade (HAG) in the pay band PB-4, benefit of increments due to bunching shall be given taking into account all the stages in different pay scales in this grade. In the case of HAG+ scale, benefit of one increment for every two stages in the pre-revised scale will be granted in the revised pay scale.

If by stepping up of the pay as above, the pay of a Government servant gets fixed at a stage in the revised pay band/ pay scale (where applicable) which is higher than the stage in the revised pay band at which the pay of a Government servant who was drawing pay at the next higher stage or stages in the same existing scale is fixed, the pay of the latter shall also be stepped up only to the extent by which it falls short of that of the former.

- (iii) The pay in the pay band will be determined in the above manner. In addition to the pay in the pay band, grade pay corresponding to the existing scale will be payable.

**Note - Illustration 1** on the above is provided in the Explanatory Memorandum to these Rules.

- (B) In the case of employees who are in receipt of special pay/allowance in addition to pay in the existing scale which has been recommended for replacement by a pay band and grade pay without any special pay/allowance, pay shall be fixed in the revised pay structure in accordance with the provisions of clause (A) above.

- (C) In the case of employees who are in receipt of special pay component with any other nomenclature in addition to pay in the existing scales, such as personal pay for promoting small family norms, special pay to Parliament Assistants, Central (Deputation on Tenure) Allowance, etc., and in whose case the same has been replaced in the revised pay structure with corresponding allowance/pay at the same rate or at a different rate, the pay in the revised pay structure shall be fixed in accordance with the provisions of clause (A) above. In such cases, the allowance at the new rate as recommended shall be drawn in addition to pay in the revised pay structure from the date specified in the individual notifications related to these allowances.
- (D) In the case of medical officers who are in receipt of non-practising allowance, the pay in the revised pay structure shall be fixed in accordance with the provisions of clause (A) above except that, in such cases, the pre-revised dearness allowance appropriate to the non-practising allowance admissible at index average 536 (1982 = 100) shall be added while fixing the pay in the revised pay band, and in such cases, non-practising allowance at the new rates shall be drawn with effect from 1.1.2006 or the date of option for revised pay structure, in addition to the pay so fixed in the revised pay structure. *Illustration 2* in this regard is at in the Explanatory Memorandum to these Rules.

**Note 1 -**

- (a) In the case of Group D employees, the pay in the revised pay structure will be fixed initially in the -1S pay band as per Clause (A) above with the appropriate grade pay and arrears paid accordingly. Thereafter, pay of such of those Group D employees who already possess the revised minimum qualifications recommended by the Commission prescribed for entry into PB-1 would be fixed with effect from 1.1.2006 in PB-1 with grade pay of Rs.1800.
- (b) Such of those existing Group D employees who do not possess the revised minimum qualifications for entry into PB-1 would be retrained by the concerned Department preferably within a period of six months so that payment of arrears on account of upgradation are not delayed. After re-training, these Group D staff will also be placed in the Pay Band PB-1 with the grade pay of Rs.1800 with effect from 1.1.2006 and arrears drawn accordingly. Once placed in the PB-1 Pay Band, this category of Group D staff will regain their seniority vis-à-vis the other category of Group D staff that already possessed the minimum qualifications and were, therefore, placed in the PB-1 Pay Band as on 1.1.2006. Inter-se seniority of all the employees in erstwhile Group D will be fully maintained with Group D employee in a higher pre-revised pay scale being placed higher vis-à-vis an employee in a lower pay scale. Within the same pre-revised pay scale, seniority which existed prior to revision would continue.
- (c) Arrears shall be payable with effect from 1.1.2006 in both the cases i.e. to those Group D employees who possess the qualifications and are placed in PB-1 straight away and those Group D employees who do not possess the qualifications and are placed after re-training. *Illustration 3* in regard to

fixation of pay for Group D staff is in the Explanatory Memorandum to these Rules.

**Note 2A** - Where a post has been upgraded as a result of the recommendations of the Sixth CPC as indicated in Part B or Part C of the First Schedule to these Rules, the fixation of pay in the applicable pay band will be done in the manner prescribed in accordance with Clause (A) (i) and (ii) of Rule 7 by multiplying the existing basic pay as on 1.1.2006 by a factor of 1.86 and rounding the resultant figure to the next multiple of ten. The grade pay corresponding to the upgraded scale as indicated in Column 6 of Part B or C will be payable in addition. *Illustration 4A* in this regard is in the Explanatory Memorandum to these Rules.

**Note 2B** - In the case of merger of pay scales, pay in the revised pay bands will be fixed in the manner prescribed in accordance with Clause (A) (i) and (ii) of Rule 7 by multiplying the existing basic pay as on 1.1.2006 by a factor of 1.86 and rounding the resultant figure to the next multiple of ten. The grade pay corresponding to the merged scale as indicated in Column 6 of Part B or C will be payable in addition. *Illustration 4B* in this regard is in the Explanatory Memorandum to these Rules.

**Note 3** - A Government servant who is on leave on the 1<sup>st</sup> day of January, 2006 and is entitled to leave salary shall become entitled to pay in the revised pay structure from 1.1.2006 or the date of option for the revised pay structure. Similarly, where a government servant is on study leave on the first day of January, 2006 he will be entitled to the benefits under these Rules from 1.1.2006 or the date of option.

**Note 4** - A Government servant under suspension, shall continue to draw subsistence allowance based on existing scale of pay and his pay in the revised pay structure will be subject to the final order on the pending disciplinary proceedings.

**Note 5** - Where a Government servant is holding a permanent post and is officiating in a higher post on a regular basis and the scales applicable to these two posts are merged into one scale, the pay shall be fixed under this sub-rule with reference to the officiating post only, and the pay so fixed shall be treated as substantive pay.

The provisions of this Note shall apply mutatis mutandis, to Government servants holding in an officiating capacity, posts on different existing scales which have been replaced by the revised pay structure.

**Note 6** - Where the 'existing emoluments' exceed the revised emoluments in the case of any Government servant, the difference shall be allowed as personal pay to be absorbed in future increases in pay.

**Note 7** - Where in the fixation of pay under sub-rule (1), the pay of a Government servant, who, in the existing scale was drawing immediately before the 1<sup>st</sup> day of January, 2006 more pay than another Government servant junior to him in the same cadre, gets fixed in the revised pay band at a stage lower

than that of such junior, his pay shall be stepped upto the same stage in the revised pay band as that of the junior.

**Note 8 -** Where a Government servant is in receipt of personal pay on the 1<sup>st</sup> day of January, 2006, which together with his existing emoluments exceeds the revised emoluments, then, the difference representing such excess shall be allowed to such Government servant as personal pay to be absorbed in future increases in pay.

**Note 9 -** In the case of employees who are in receipt of personal pay for passing Hindi Pragma, Hindi Typewriting, Hindi Shorthand and such other examinations under the "Hindi Teaching Scheme", or on successfully undergoing training in cash and accounts matters prior to the 1<sup>st</sup> day of January, 2006, while the personal pay shall not be taken into account for purposes of fixation of initial pay in the revised pay structure, they would continue to draw personal pay after fixation of their pay in the revised pay structure on and from the 1<sup>st</sup> day of January, 2006 or subsequently for the period for which they would have drawn it but for the fixation of their pay in the revised pay structure. The quantum of such personal pay would be paid at the appropriate rate of increment in the revised pay structure from the date of fixation of pay for the period for which the employee would have continued to draw it.

**Explanation -** For the purpose of this Note, "appropriate rate of increment in the revised pay structure" means 3% of the sum of the pay in the pay band and the grade pay at the stage at which the pay of the employee is fixed in the revised pay structure.

**Note 10 -** In cases where a senior Government servant promoted to a higher post before the 1<sup>st</sup> day of January, 2006 draws less pay in the revised pay structure than his junior who is promoted to the higher post on or after the 1<sup>st</sup> day of January, 2006, the pay in the pay band of the senior Government servant should be stepped up to an amount equal to the pay in the pay band as fixed for his junior in that higher post. The stepping up should be done with effect from the date of promotion of the junior Government servant subject to the fulfillment of the following conditions, namely: -

- (a) both the junior and the senior Government servants should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre.
- (b) the pre-revised scale of pay and the revised grade pay of the lower and higher posts in which they are entitled to draw pay should be identical.
- (c) the senior Government servants at the time of promotion should have been drawing equal or more pay than the junior.
- (d) the anomaly should be directly as a result of the application of the provisions of Fundamental Rule 22 or any other rule or order regulating pay fixation on such promotion in the revised pay structure. If even in the lower post, the junior officer was drawing more pay in the pre-revised scale than the senior by virtue of any

advance increments granted to him, provision of this Note need not be invoked to step up the pay of the senior officer.

- (2) Subject to the provisions of rule 5, if the pay as fixed in the officiating post under sub-rule (1) is lower than the pay fixed in the substantive post, the former shall be fixed at the same stage as the substantive pay.

8. *Fixation of pay in the revised pay structure of employees appointed as fresh recruits on or after 1.1.2006* - Section II of Part A of the First Schedule of these Rules indicates the entry level pay in the pay band at which the pay of direct recruits to a particular post carrying a specific grade pay will be fixed on or after 1.1.2006.

This will also be applied in the case of those recruited between 1.1.2006 and the date of issue of this Notification. In such cases, where the emoluments in the pre-revised pay scale(s) [i.e., basic pay in the pre-revised pay scale(s) plus Dearness Pay plus Dearness Allowance applicable on the date of joining] exceeds the sum of the pay fixed in the revised pay structure and the applicable dearness allowance thereon, the difference shall be allowed as personal pay to be absorbed in future increments in pay.

9. *Rate of increment in the revised pay structure* -The rate of increment in the revised pay structure will be 3% of the sum of the pay in the pay band and grade pay applicable, which will be rounded off to the next multiple of 10. The amount of increment will be added to the existing pay in the pay band. *Illustration 5* in this regard is in the Explanatory Memorandum to these Rules. In the case of PB-3, variable rates of increment at 3% and 4% have been provided. The higher rate of increment will be granted to not more than 20% of the strength of officers in PB-3.

10. *Date of next increment in the revised pay structure* - There will be a uniform date of annual increment, viz. 1<sup>st</sup> July of every year. Employees completing 6 months and above in the revised pay structure as on 1<sup>st</sup> of July will be eligible to be granted the increment. The first increment after fixation of pay on 1.1.2006 in the revised pay structure will be granted on 1.7.2006 for those employees for whom the date of next increment was between 1<sup>st</sup> July, 2006 to 1<sup>st</sup> January, 2007.

Provided that in the case of persons who had been drawing maximum of the existing scale for more than a year as on the 1<sup>st</sup> day of January, 2006, the next increment in the revised pay structure shall be allowed on the 1<sup>st</sup> day of January, 2006. Thereafter, the provision of Rule 10 would apply.

Provided that in cases where an employee reaches the maximum of his pay band, shall be placed in the next higher pay band after one year of reaching such a maximum. At the time of placement in the higher pay band, benefit of one increment will be provided. Thereafter, he will continue to move in the higher pay band till his pay in the pay band reaches the maximum of PB-4, after which no further increments will be granted.

**Note 1** - In cases where two existing scales, one being a promotional scale for the other, are merged, and the junior Government servant, now drawing his pay at equal or lower stage in the lower scale of pay, happens to draw more pay in the pay band in the revised pay structure than the pay of the senior Government servant in the existing higher scale, the pay in the pay band of the senior government servant shall be stepped up to that of his junior from the same date and he shall draw next increment in accordance with Rule 10.

11. *Fixation of pay in the revised pay structure subsequent to the 1<sup>st</sup> day of January, 2006.* - Where a Government servant continues to draw his pay in the existing scale and is brought over to the revised pay structure from a date later than the 1<sup>st</sup> day of January, 2006, his pay from the later date in the revised pay structure shall be fixed in the following manner:-

- (i) Pay in the pay band will be fixed by adding the basic pay applicable on the later date, the dearness pay applicable on that date and the pre-revised dearness allowance based on rates applicable as on 1.1.2006. This figure will be rounded off to the next multiple of 10 and will then become the pay in the applicable pay band. In addition to this, the grade pay corresponding to the pre-revised pay scale will be payable. Where the Government servant is in receipt of special pay or non-practising allowance, the methodology followed will be as prescribed in Rule 7 (i), (B), (C) or (D) as applicable, except that the basic pay and dearness pay to be taken into account will be the basic pay and dearness pay applicable as on that date but dearness allowance will be calculated as per rates applicable on 1.1.2006.

12. *Fixation of pay on reappointment after the 1<sup>st</sup> day of January, 2006 to a post held prior to that date* - A Government servant who had officiated in a post prior to the 1<sup>st</sup> day of January, 2006 but was not holding that post on that date and who on subsequent appointment to that post draws pay in the revised pay structure shall be allowed the benefit of the proviso to Fundamental Rule 22, to the extent it would have been admissible had he been holding that post on the 1<sup>st</sup> day of January, 2006, and had elected the revised pay structure on and from that date.

13. *Fixation of pay on promotion on or after 1.1.2006* - In the case of promotion from one grade pay to another in the revised pay structure, the fixation will be done as follows:-

- (i) One increment equal to 3% of the sum of the pay in the pay band and the existing grade pay will be computed and rounded off to the next multiple of 10. This will be added to the existing pay in the pay band. The grade pay corresponding to the promotion post will thereafter be granted in addition to this pay in the pay band. In cases where promotion involves change in the pay band also, the same methodology will be followed. However, if the pay in the pay band after adding the increment is less than the minimum of the higher pay band to which promotion is taking place, pay in the pay band will be stepped to such minimum.
- (ii) In the case of promotion from PB-4 to HAG+, after adding one increment in the manner prescribed in Rule 9, the pay in the pay band and existing grade pay will be added and the resultant figure will become the basic pay in HAG+. This shall not exceed Rs. 80,000, the maximum of the scale. For Government servants in receipt of NPA, pay plus NPA will not exceed Rs. 85,000.

14. *Mode of payment of arrears of pay* - The arrears shall be paid in cash in two instalments. The first instalment should be restricted to 40% of the total arrears. The remaining 60% of arrears should be paid during the next financial year.

**Explanation -** For the purposes of this rule:

- (a) "arrears of pay" in relation to a Government servant, means the difference between:
  - (i) the aggregate of the pay and allowances to which he is entitled on account of the revision of his pay and allowances under these rules, for the relevant period. Revised allowances (except for dearness allowance and non-practising allowance) will be payable only with effect from 1.9.2008; and
  - (ii) the aggregate of the pay and allowances to which he would have been entitled (whether such pay and allowances had been received or not) for that period had his pay and allowances not been so revised.
- (b) "relevant period" means the period commencing on the 1<sup>st</sup> day of January, 2006 and ending with the 31<sup>st</sup> August, 2008.

15. **Overriding effect of Rules -** The provisions of the fundamental rules, the Central Civil Services (Revision of Pay) Rules, 1947, the Central Civil Services (Revised Pay) Rules, 1960, the Central Civil Services (Revised Pay) Rules, 1973, Central Civil Services (Revised Pay) Rules, 1986 and CCS (Revised Pay) Rules, 1997 shall not, save as otherwise provided in these rules, apply to cases where pay is regulated under these rules, to the extent they are inconsistent with these rules.

16. **Power to relax -** Where the President is satisfied that the operation of all or any of the provisions of these rules causes undue hardship in any particular case, he may, by order, dispense with or relax the requirements of that rule to such extent and subject to such conditions as he may consider necessary for dealing with the case in a just and equitable manner.

17. **Interpretation -** If any question arises relating to the interpretation of any of the provisions of these rules, it shall be referred to the Central Government for decision.

1. **Ms. Shanthi** had submitted an application dated 06.12.2023 seeking information under the provisions of RTI Act, 2005. Based on the inputs received from the custodian, the CPIO, LPSC, replied to the appellant vide letter No.LPSC/CPIO-RTI/2023-632/P/00083 dated 01.01.2024. Being not satisfied with the reply given by CPIO, appellant has submitted an appeal dated 18.01.2024 stating that 'CPIO has refused access to the information sought'.

**निर्णय/DECISION**

2. The appellant had sought copy of Purchase Order number TM20 2012 021292 01 01 and its amendments, if any with all commercial terms and conditions with list of items to be supplied with price is needed. CPIO had rejected the information vide letter dated 19.12.2023 stating that the information sought would prejudicially affect the sovereign, scientific interests of LPSC, therefore the copy of contract cannot be provided and is exempted u/s 8(1)(a) of RTI Act, 2005. On examination of the case, it is found that the information sought is related to developmental contract for fabrication of Semi-Cryo Engine mixing head assembly.
3. With a view to make the nation self-reliant in application of Space Science and Technology, ISRO has been continuously engaged in design and development of various complex systems required for its missions. The technology for such complex systems has to be indigenously developed as they are not easily available / obtained from elsewhere. Hence, realization of such systems is strategic in nature. One of such developmental activities embarked upon by LPSC/ISRO, is the design and development of semicryo engine for launch vehicles. The fabrication of mixing head assembly, which is one of the most important sub-systems of Semicryo Engine involves very high precision activities. Being a developmental activity, the contract contains many technical details which are interlinked with commercial terms and conditions. Since the system is strategic in nature, sharing the copy of the contract will adversely affect the interest of the nation. Further, the contract was entered into after following due procedure and sharing a copy will also affect competitive position of a third party, as the information involves commercial confidence of the third party. As per the terms & condition of the Contract, the Contractor is also bound to maintain secrecy and is prevented from disclosing any of

the details to any other person. Hence it is exempted under Sec 8(1) (a) and 8 (1) (d) of the RTI Act.

4. In view of the above, I uphold the decision conveyed by the CPIO. Accordingly the appeal stands disposed off.
5. A second appeal against this decision lies with the Central Information Commission, Baba Gang Nath Marg, Munirka, New Delhi-110067, within ninety days from the date on which this decision is received.
6. This Appeal is disposed off at Thiruvananthapuram on the 12<sup>th</sup> day of February, 2024.
